Bulletin April 2019

**Club News** - Detective Mark Robbins this past month visited the Waukegan Rotary Club. He spoke about his former service to our country as a Navy Seal, and current service to our county as a Detective!

At our Thursday, March 21<sup>st</sup> club luncheon Ann Marie Mathis, Founder and CEO of Twice As Nice Mother & Child presented to the group some of the many wonderful things her organization is doing out in the Lake County community. The very next day several members of the club lent a hand sorting diapers in preparation for delivery to hundreds of families. Ann Marie has quite an operation that really impressed our members.

**Save the date...** In conjunction with the Rotary Club of North Chicago on **June 15<sup>th</sup> from 12:00 pm to 3:00 pm** we will be hosting an "Installation Mixer" event at the Genesee Theatre. Food along with a cash bar will be available. The goal is not only to install new officers within the district but to also get to know our fellow Rotarians and their significant others and families. More details will soon follow...

**Feed the Hungry...** Make sure you place on your calendar that the Rotary Club of Waukegan will be feeding the hungry on April 30<sup>th</sup>!
