### What does Rotary - and my participation in the Speakeasy Gala - support?

Thanks to your generosity, the Rotary Club of Wheeling is able to actively support people of all ages within the community. Wheeling Rotary has purchased more than 100 weatherproof winter coats for children in need, provided classroom sets of books to local schools, financed scholarships for adult students improving their occupational skills, and provided food for the less fortunate. Rotary Club of Wheeling is a non-for-profit 501c3 Corporation. Most of the funds raised at the Speakeasy Gala stay in our community and support local families, by meeting their needs in the most flexible and supportive way possible.
