

**Q. What is Rotary?**

Rotary International is a worldwide network of inspired individuals who translate their passions into relevant social causes to change lives in communities. There are 34,000 Rotary Clubs throughout the world. Clubs meet for fellowship, a meal, and an informative program.

Clubs also identify opportunities for service projects in their communities and throughout the world, often partnering with other clubs to plan and execute them. Rotary's motto is **Service**

**Above Self**, and Rotarians pursue Five Areas of Service:

Club Service, Vocational Service, Community Service,  
International Service and Next Generations.

Belonging to a Rotary Club is a great way to make new friends while doing good in the world, and membership provides a wonderful platform for service-minded individuals to bring their energy and ideas for service and make them happen.

**Q. Who can join the Rotary Club of Winnetka-Northfield?**

Membership is open to service-minded individuals who live or work in Winnetka or Northfield, or who have another connection to our community. Members are interested in making new friends while doing good in the world. Members include local business owners, service providers, educators, community and non-profit leaders, volunteers and others interested in making our community and the world a better place.

**Q. What are the obligations of membership?**

New members are expected to regularly attend our weekly lunch meetings and find ways to participate in club activities. However, there is no strict attendance requirement, and we understand that we all have very busy schedules and many demands on our time. New members may get involved by suggesting great speakers for our weekly meetings, by helping with club administration and PR, by serving on our membership committee, serving on planning committees for our major projects, by participating in hands-on service opportunities and by financially supporting the club's projects. Everyone has their own particular passions and talents, so no two Rotarians participate in exactly the same way.

**Q. Is weekly attendance mandatory?**

Our club has a flexible attendance requirement. New members are expected to regularly attend weekly meetings, generally maintaining at least 50% attendance. Members are encouraged to "make up" missed meetings by attending another local Rotary meeting. A list of local clubs and meeting times and locations may be found on the [District 6440 website](#). As life's circumstances change, established members sometimes find they cannot continue to regularly attend meetings, but they wish to continue supporting the club and be a part of Rotary. The club's Board determines when it is acceptable for a member to maintain their membership while not being an active weekly participant in the club.

**Q. What does it cost to be a member?**

Membership dues are \$125 a quarter and quarterly lunch costs \$150, which is a total of \$275 per quarter. As an alternative, you can pay for lunch on pay-as-you-go basis @ \$15 a week.

Members are also encouraged to financially support the Club's and Rotary International's charitable works, as their circumstances permit.

1. Our club has its own 501(c)(3) charitable foundation, the **Winnetka Northfield Rotary Charitable Foundation** – WNRCF. This fund is used for annual grants to local nonprofits as well as a source of funding for our club's international projects and for assistance to other Rotary clubs.
2. Rotary International has **The Rotary Foundation**, which is most often referred to as just "TRF."
  - All Rotarians are expected to make an annual contribution to TRF; we call this Every Rotarian Every Year, in support of TRF's humanitarian and educational programs. A \$100 donation is suggested, but more or less is acceptable.
  - We also encourage our members will financially support the service and charitable projects of WNRCF.

**Q. What are the club's service and charitable projects?**

Our service projects change over time, as new members bring new ideas to the club.

In recent years, our projects have included:

- Monthly packing lunches for Connections for the Homeless
- Rotary Global Grant project to create a women's clothing cooperative in the village of Tomouilt, Morocco

- Annual fundraising events and dinners to support WNRCF
