

CORPORATE MEMBERSHIP PROGRAM

The Rotary Club of El Dorado Hills has established Corporate Membership program to encourage local corporations and business to become involved in the service to El Dorado Hills. The Rotary Club of El Dorado Hills Board of Directors has established this program to operate in the following manner.

Corporate Membership:

An organization and or business may apply to the Rotary Club of El Dorado Hills for a Corporate Membership in the club. The purpose of this membership category is to increase club membership and provide additional flexibility in meeting club membership requirements. The organization proposing corporate membership shall submit a Corporate Membership Application under the sponsorship of an existing active club member and the application will be processed by the club in the same manner as an application for active membership in the club. The organization shall propose one employee as the corporate active member and up to 3 additional employees as corporate members. Upon approval of the application, the corporate active member shall become an active member of Rotary Club of El Dorado Hills and Rotary International and the corporate members shall become corporate members of Rotary Club of El Dorado Hills, but not members of Rotary International.

Meal and Activity Costs:

The corporate membership shall be responsible for the weekly meal costs and for any billable costs associated with club activities. Club bills will be addressed to the corporate active member whose responsibility shall be to assure prompt payment. The corporate membership will be billed for regular meals and any one of the three designated corporate members may use that meal. Additional meals, where more than one of the corporate members attends a meal or activity will be billed based on the club prescribed rates (currently \$10 per person)

Corporate Membership Costs:

Annual Dues: Same as established for active members.

Club Initiation Fee: \$100 one-time fee. This fee is to be waived for conversions involving a current active member.

Fundraiser Participation: Varies as with any active member.

Club bills will be addressed to the corporate active member whose responsibility shall be to assure prompt payment.

Attendance Requirements:

We encourage corporate members to regularly attend meetings, and hope that you want to, but sometimes you can't, and that's okay. Rotary International does require us to track attendance for statistical purposes only, so be sure you've checked in each week.

If you visit another club, help with a project, attend a district meeting or fellowship event, engage with Rotary online, or volunteer in the community... these can all count towards club attendance, so please report Rotary and volunteer activities to edhrotary@gmail.com.

Membership Induction:

All proposed corporate members will be required to attend an informal meeting about Rotary and our Club prior to the induction. The corporate members may participate in the formal Rotary Club induction ceremony after being approved by the Board or Directors. The corporate active member will be inducted as member to both Rotary Club of El Dorado Hills and Rotary International.

Rotary International Foundation:

All corporate members are encouraged to donate to the RI Foundation in their own names. The corporate membership is expected to donate at least \$100 to RI Foundation each year in any manner they chose.

Club Participation:

The corporate active member and corporate member(s) are encouraged to participate in all club activities on a regular basis. All members are eligible to serve on club committees and on the Board. Only the corporate active member is eligible to serve as a club officer. Corporate members are encouraged to pursue an individual active membership if they desire to serve as a RCEDH officer. The corporate active membership has one vote in club matters. Unless otherwise indicated by the corporate active member the corporate active member shall vote on behalf of the corporate membership in club matters.

CORPORATE MEMBERSHIP APPLICATION

We apply for corporate membership in the Rotary Club of El Dorado Hills and authorize our consideration be the Board of Directors. If approved, we authorize publication of our organization’s name. We agree to abide by the requirements of membership and to pay the initiation fee, annual dues and other billings promptly.
