The Rotary Club of Orlando
Corporate Connection Membership Program

It's a simple, economical way for your team to engage with our community.

Meeting every Thursday at noon, business professionals gather to learn about Central Florida's many unique aspects through our Rotary Speakers' Forum. We also enjoy lunch and the fellowship for which Rotary is known worldwide.

Our Corporate Connection Membership Program provides your rising professionals an opportunity to connect with community professionals from business, philanthropic, charitable and local government. It is a wonderful way to invest in our community and provide community service, leadership and development opportunities for our rising leaders.

We unite individuals of various ages and experience levels with diverse personal and professional backgrounds to build better leaders and citizens for a better Orlando. Your rising professionals can become engaged in leadership in club initiatives, committees and events designed to help our community.

WHY THE ROTARY CLUB OF ORLANDO?

The Rotary Club of Orlando will celebrate its 100th anniversary in 2020 and is one of 34,000 clubs made up of more than 1.2 million business professionals in more than 200 countries. Rotarians conduct projects addressing today's challenges, including literacy, clean water, polio, hunger and environmental concerns. Recognizing the growing importance companies place on corporate social responsibility, The Rotary Club of Orlando has created The Corporate Connection Membership Program to help your company and your rising professionals engage in and serve their community and our world.

THE BOTTOM LINE

Business professionals' time is valuable, so is service to our community and the relationships fostered by The Rotary Club of Orlando. The flexibility of corporate membership allows your rising professionals to maximize their time and relationships for their personal and professional growth while serving the Orlando community and representing your company among other professionals.

ROTARY ETHICS

Adhering to high ethical standards and respect for all individuals and worthy vocations has been a hallmark of Rotary from its earliest days. Rotarians strive to abide by:

THE FOUR-WAY TEST - OF THE THINGS WE THINK SAY AND DO...

- (1) Is it the TRUTH?
- (2) Is it FAIR to all concerned?
- (3) Will it build GOODWILL and better friendships?
- (4) Will it be BENEFICIAL to all concerned?

HOW WE SERVE OUR COMMUNITY AND THE WORLD
