May Rotary theme ~ Soap Box Derby

Ask Big Al

- "Hey Big Al, my daughter (teenager) says the 'check engine' light is still on in her car. How do I fix that, she's driving me nuts." Charles
👉 Well Chuck, there's a couple of solutions. Have her take the gas cap off, start the car, run it for a few miles, replace the gas cap. Try that for 10 start-stops. This really doesn't solve the problem but it gives her something to do. After the 10 start stops (yea she's counting, bet on it) buy a pack of Black Jack gum, chew 2-3 sticks and paste it over the light. FIXED!! You can try bubble gum, but the pink color usually clashes with the dash.
- "Big Al, why does Cordova get the first run of Kings & Reds?" Peter
👉 Now Pete, that's simple, the Cordova fish get into a school sooner.

Have a question about Rotary, fishing, just about anything.....Send your questions to E News, they will be answered the following week. Remember, **Big Al knows it ALL !**

Is this upside down or right side up?

QUESTION OF THE WEEK: ???

Who is the incoming RI President; what is his 2010-2011 theme, what does the theme mean?

The winner gets: A hot dog at the Soap Box Derby, courtesy of the Editor!
