#### Ask Big Al

- ☞ "I went dipping for salmon, used a really big net, didn't catch a thing, but the guy next to me had this little net, and got 60 fish. What am I doing wrong?" George
- ☞ OK George, where the heck were you? There's so many possibilities of what's wrong, we don't have room here to answer. So look at the FAQ's at [www.poorfisherman.com](http://www.poorfisherman.com). They won't know either, but you'll have some company.
- ☞ "Will it ever warm up this 'summer', where's that global warming?" Scott
- ☞ Well you know "warm" is a relative term, so the easy response is....'compared to what?' I talked to a Rotarian that just returned from Phoenix, it was 112, & he says now he knows what hell must feel like....."it ain't pretty". And ask Sarah, she says there IS no global warming.

"Have a question about Rotary, fishing, just about anything.....Send your questions to E News, they will be answered the following week. Remember, **Big Al knows it ALL!**

Is that hot.....whew.....yea!

And that's in the shade

#### QUESTION OF THE WEEK: ???

What is the "official" motto of Rotary? 1. Service Above Self 2. He Profits most Who Serves Best 3. They Profit Most Who Serve best 4. One Profits Most Who Serves Best. When was it adopted?

The winner gets: a six pack of assorted soda!
