VOLUME 3, ISSUE 66 ~ OCTOBER 11, 2010

## Announcements.....announcements.....

### Here's the news from the last meeting & Board Meeting

- × Construction of the **picnic shelters at Rotary Park**, is officially **postponed until spring 2011**. By a show of "volunteers" at the 10/4 meeting and a discussion at the Board meeting, we just didn't have enough Rotary power to pound the nails this fall. The concrete is set, so we'll plan to sweep off the snow in the spring (oh, do you think we'll have any?) and go to early. Keep your hammer handy.
- × Scott suggested we do a **Rotary float** for the **electric light parade**, that's November 26. He's offered his toy box to construct it, what do you think? A big Rotary wheel, with lights.....maybe a soap box car.....what else.....???  
Think about it, it's on the agenda for Monday.
- × **Mya won the split the pot.....AGAIN!!** Too bad it's only worth about \$3.60 or so.
- × **Glenda** was high bidder on the **No Fine Badge** for the month, she even upped her bid....Thanks Glenda. The Foundation needs it.
- × **Past President Matt S.** announced it was his **birthday**, 35th by the way.....so the Club serenaded him with that ol' classic, "Happy Birthday to you".....for free..
- × **President Elect Roy** has determined that his schedule just won't allow him to assume the **office of President**. So the Council of Past Presidents (AKA been there-done that folks) will meet to select a replacement. We're sorry Roy can't take this on, but thanks Roy for considering it, and also for the hard decision to decline.
- × The Board approved **gift certificates** for **Mr. Cment** & the **driver for Best Transit Mix**, for lunch/dinner as a thank you for saving our a\_\_s when we poured the concrete for the picnic shelters. As one anonymous Rotarian observed, at the time "this looks like the garden club is here to pour concrete". Not very nice....., but true.
- × **President Barry** wants to make a push for some **new members**, so look around, think about your friends, business associates, there's some good candidates out there.

#### Ask Big Al

Hi Al, I've been lookin' for Big Eddy, I've been up & down his road 3 times and I still can't find his house. Do you know where he lives? Ed

Very funny. You know we do advertise, questions "just about anything" but really.....OK, Big Eddy is at the end of the road, yea, Big Eddy Rd. (ha,ha), look for the blue place, very low, and wear some boots. When you find him, you two can commiserate that we used to think— two Ed's are better than one.

How about some Rotary questions. Rotarians.

"Have a question about Rotary, fishing, just about anything.....Send your questions to E News, they will be answered the following week. Remember, **Big Al knows it ALL!**

Summer's over, kinda feel like this guy about it?

#### QUESTION OF THE WEEK: ???

Which President of the US was born on October 1, what Rotary award did he receive?

The winner gets: a reflective, Rotary decal!!

*Happy Birthday to you, Happy Birthday to you...  
Rick Ross, October 15th  
we'll sing to you.....*
