All sessions are in Justin Carr's Senior English class. Sign in at the office and get directions if needed.

A very sincere thank you to **Tom Martin, Roy Wells, Randy Daly, President Mya, Sal Mattero, & Dave Derry** for volunteering to teach a class the first week. What did you think? When we hand off America to this generation will they do a better job than we have? or are we in trouble? The Editor thinks we better embrace anyone that's going to pay our Social Security & Medicare payments.

Justin Carr said he thinks this is a really good program for his students and he appreciates the Rotary Club doing it.

If you have never done this before, you can still volunteer to team up with someone. Any of the instructors would welcome the help, and it's great to maintain student interest with a trade off to a different voice.

Did you know?

Harry Ruggles was the 5th man to join Paul Harris in the conversations that led to the formation of the 1st Rotary club in Chicago in 1905. Harry was a fellow who enjoyed singing and at an early meeting of the fledgling group he jumped up on a chair and urged everyone to join him in song. So the tradition of Rotary singing was born. Social singing is not found in Rotary Clubs in Europe, South America, & Asia - or Kenai!

Happy Birthday to you...

Happy Birthday to you, Happy Birthday.....

Kenai Historical Cabin Project

George Ford says the muscle is at work, making great progress. The floors are torn out, but still more to do. We need volunteers to prepare the historic cabins for the move to their new home. Work parties run from 9am-5pm, Thursday thru Monday, thru April. They have a skilled supervisor/foreman so you can be Willie the wood butcher and you're still welcome....you don't even need any tools....just a desire to help. Call George to schedule a time- **283-7700**

Kenai Job Shadow program~

Tina Baldridge, Kenai Chamber says "thank you for dedicating time to this program and helping us with the matching process. It's a lot to handle and we really appreciate your help this year." And a big thanks to Scott Hamann for bringing this to the Club. This is Vocational Service.

New Feature!!!!

While working delivering lunches to elderly shut-ins, a fellow took his 4 year old daughter along. She was intrigued by the various appliances she saw; canes, walkers, & wheelchairs. Then as they moved along she found and was staring at a pair of false teeth in a glass. The fellow braced for the inevitable barrage of questions, she merely turned and whispered, "the tooth fairy will never believe this".
