Guatamala - PETS - Part 3

by [Wicks](#), [Sandra](#)

Another PET Recipient Thanks to AER

You have already met Pedro, who received one of the PETs purchased with the district matching grant funds. Pedro's life was dramatically changed when he received the gift of mobility from AER. Now meet Felisa (picture below). Felisa is 63 and lost her right leg when she was a little girl. She didn't receive any rehabilitation and her left leg has atrophied, but she had some minimal mobility using crutches. Felisa has had only two years of school and earns a living by taking donated old clothes and turning them into rags that she can sell. Felisa lives in an area with dirt roads and her new PET makes it possible to get around on her own. Thank you AER.

Youth Exchange Fall Orientation

by [Drew](#), [Michelle](#)

 This past weekend Boom attended the Rotary Youth Exchange fall orientation at a camp off Hatcher Pass Rd. There he got to spend lots of time with fellow inbound exchange students learning more about the rules and expectations that apply to our students and playing. Ask him about blind canoe races! Also, one of his goals for the first half of his exchange is to go shirtless in a heavy snow and have his picture taken - lets all be on the lookout for this opportunity. Respectively submitted by Marjorie Poggas, YEO with thanks that I could attend this event with our student.

You are invited to help END POLIO NOW - Rotary Dream Team India 2014

by Drew, Michelle

Dear Fellow Rotarians & Guests,

Here is your opportunity to join the Rotary Dream Team-India 2014. Per the email below from my friend, Elias Thomas, he is leading this adventure to India in February 2014. You will have the chance to participate in a Polio NID and a project building a dam at the foot of the Aravali Hills. All of the details concerning this trip are in the "downloads" section of your CLUBRUNNER. I joined Elias on a Rotary Dream Team trip to India in 2008 and 2010. I know you will enjoy the sights, sounds and flavors of this wonderful country. Plus, you will be doing your part in eradicating polio from the world. If you have any questions, please feel free to contact Elias or myself.

We look forward to you joining the Rotary Dream Team-India 2014.

Working for a Polio Free World,

Bob Weel

Good day to you all:

After a very hectic summer, we now can focus on the upcoming AMAZING opportunity for ENGAGING ROTARY and CHANGING LIVES, as we make plans for the upcoming NID/Service Project trip to India in February 2014. Sanjiv has created an exciting itinerary, with something for everyone – those who have never traveled to India and wish to take advantage of visiting the Taj Mahal and the Pink City of Jaipur, and those who are seasoned Dream Teamers who are ready to explore new regions of this mystical and magnificent country will have programs from which to choose.

PLEASE share the attachment with clubs throughout your respective Districts and Zones and encourage any who wish to participate in one of the final National Immunization Days against Polio, as well as to “dig in the dirt” while we work alongside local laborers to construct our FIFTH water catchment dam.

As each of us knows, every time we have been a part of DREAM TEAMS over the past number of years, our lives are changed forever, while we change the lives of those whom we serve. It is my hope that several youngsters will also be able to become a part of our TEAM, where they too will learn about Rotary and what we, as Rotarians, do to serve others.

Please feel free to contact me at any time with questions.

Yours in service to others, through Rotary,

[Elias](#)

Email message from Damien Fornas.....youth exchange 2010-2011

by Wicks, Sandra

Sandra

So since last week i go to a private thing that prepares you for medical school. So i'm doing 2 weeks of it, and i have to pay for it because it's not free for sure.

So i have uni (*University*) the morning, and the afternoon we're free to do anything, so i'll go to this private thing to study more, and get some help if i don't understand a thing for example. So what they do it's to prepare us, help us for the exams in December and then in June.

I'll start uni next Monday, and right now i'm packing stuff to go in my apartment in Lyon.

So i'm busy.

And if you didn't know, i had Ben (German youth exchange Anchorage International Club 2010-2011) over for a week in august, so i took him to Georges Duboeuf, Bully, Beaujolais, couple times in Lyon, and lot of other thing. He stayed here for a week. And at Georges Duboeuf i showed him where you've been dancing with Bruce the other day. (*This is a reference to when Bruce and I visited Damien and his family took us to a big wine producing facility that has an eating/drinking/dancing establishment.*)

Say hey to Rotary people, and to Bruce.

New Member Proposed - Stacey Matteson

by Archer, Sally

"Anchorage East Rotary welcomes the following prospective members. We publish proposed members' biographies, photos, and classifications for 14 days to allow comment from AER's membership. If you care to file an endorsement or objection about any proposed member please contact Sally Archer (C&T 310-4919), Dave Young (C&T 223-1400), or Janine Becka at becka@gci.net. Thank you for your help in bringing qualified leaders to Rotary."

Proposed by: Dave Kester

Classification : Finance - Insurance

I relocated to the Anchorage area in March of this year after being gone for many years. I grew up in Glassboro, New Jersey and left there after marrying my husband Art of 28 years. He was a member of the Air Force which resulted in our moved to Anchorage in the 90's. We quickly came to love the area and are finally happy to say we are home.

I joined Umialik Insurance Company as Director of Underwriting in March, since that time I have re-acquainted myself with the area and agents within the state. As Director of Underwriting I am responsible for the placement of profitable home, auto and commercial business with the company. Prior to moving back to Anchorage, we resided in Martinsburg, West Virginia where I worked with Farmers & Mechanics Insurance Company in the capacity of Senior Vice President of Underwriting. While residing there I was a member of the Martinsburg Sunrise Rotary and held the board position of Vice President, and additionally honored as Rotarian of the Year in 2012.

Service Project Proposals Wanted - Submission Deadline September 30

by Drew, Michelle

The Community Service Committee is requesting community service proposals from YOU - Anchorage East Rotarians. If you have a worthy cause, a favorite charity, or a service goal, submit a proposal for consideration. Ground rules are as follows:

Your project must be a **LOCAL community service project** - Anchorage or Alaska-wide. (With regrets, this program is not eligible for international service)

Your project must be generally "ready to go" - **funds must be distributable to the project before December 31, 2013.**

Submit a written "Proposal" - proposals are limited to **2 pages** in length and must include the following information:

1. Who is the intended recipient group?
2. In what city/community will the project take place or benefit?
3. Is it a Rotarian hands on project, a money only request, or both?
4. An estimate of how much money will be required to complete the project (how much money are you requesting?)
5. A clear and concise explanation of the project.

Submit your written proposal to Amy Slinker amyslinker@gmail.com. Please be sure to include your name and contact information including phone number so that you can be reached if there are questions about the proposal.

Submission deadline is 4 pm on September 30, 2013. Proposals received after the deadline will not be considered.

A proposal review committee will evaluate all proposals submitted in conformance with the rules above. That committee will then select winning proposals for project funding and submit these items to the board for approval at the October board meeting. The exact amount of funding and number of projects to be approved will be determined based on the number and size of requests received. The projects could occur in late October, November, or December; but must be completed by December 31.

So give us your ideas AER. It's your club. Let's do YOUR projects!

It counts towards getting your blue badge and as a meeting make-up.

Rotary Foundation Thought

by Drew, Michelle

 Week of Sep 16- This week's **Rotary Foundation Thought** is about: **EVERY ROTARIAN EVERY YEAR**

"The Rotary Foundation enables clubs all over the world to develop and accomplish self-sustaining projects that change lives and change the world for the better. When you support The Rotary Foundation's Every Rotarian, Every Year initiative, you personally help fund one of those life-changing projects. Support your Rotary Foundation! Advance world understanding and peace.... It's a role you were born to play!"
-Past District Governor Mike Montgomery, District 5030

Solomon's groaner of the week!

by Solomon, Gregory

A police officer came to my house and asked me where I was between 5 and 6. I replied "kindergarten". 

Advertise with Rotary!

by Drew, Michelle

 CLUBRUNNER is our website and newsletter program, but it is not free. In order to pay our annual dues we have to sell advertisements. Consider advertising your business on clubrunner and in the Eastwind.

Ads are only \$50 for four weeks and the online ads link directly to your website.

OR, consider advertising on our in-meeting half-sheet program - ads are \$50 for four weeks there as well. These items are rarely left on the tables.

Want to place an ad? Contact Michelle Drew.

Got some news!?

by Drew, Michelle

If you have news you want to share with the club, please let us know! Contact Michelle Drew at mdrew@mcc-cpa.com

Have some interesting news about yourself? Your family? Anchorage East is one big, happy family and wants to hear about our members! But remember, just like in meetings, announcements must be limited to personal/family news, news related to you, your family or another club member. Thanks!
