SPEAKER/s: Exchange Student Karl Berglund from Sweden, and Exchange Student Eetu Salmiola from Finland.

Our Rotary Exchange students, Karl and Eetu are quite amazing, adventurous and without a doubt changed for life. Both are proud of their own country as both factually stated that their country is the best. Karl states that he has acquired a new brother from another mother. Both recounted their adventures and experiences while here in Alaska. Their list of activities is extensive; hiking, golfing with the Rotary President, biking, seminary with the Mormon Church, participating in a fashion show, rock climbing, shooting at the range and hunting. Karl mentioned that he has turned into an ACES hockey fan, and when he returns home he confesses that he will probably wear his ACES hockey jersey to the local games in his home town.
