2015

The Homer Kachemak Bay Rotary Club in partnership with South Peninsula Hospital invites you to apply for booth space at the 32nd annual Rotary Health Fair. Our theme is "It's your life, take a day to be well!" **PLEASE NOTE OUR NEW EMAIL** rotaryhealthfair@gmail.com

The date is November 7, 2015 from 7:30am to 1 p.m. at the Homer High School in the Mariner School Commons and the Gym.

Attached you will find the Standards for Rotary Health Fair Exhibitors. Please review this information and let me know if you have any questions.

NEW THIS YEAR- You will receive a second email with a link to the application form which you can fill out on line and send back. We hope this will make it easier for everyone to fill out and return promptly. The system will send you a response that your form has been received.

The deadline for receiving completed 2015 Rotary Health Fair Exhibitor application forms is SEPTEMBER 17, 2015. The sooner we know how many Exhibitors there will be, the sooner we can begin to finalize all the details. We would appreciate your prompt response. Please fill it out today.

REMINDER- late applications will not be included in Rotary Health Fair marketing due to media deadlines and will be placed on a waiting list. See item 9 & 10 under Standards.

If you know of any Exhibitors who would make good additions to the Health Fair, please let us know about them or tell them to contact us.

REMINDER Please take a critical look at your booth displays. Your effort to display a "new or improved" appearance and updated information is critical to the growth of the Rotary Health Fair. Updated information and well planned booths demonstrate your respect for the public's time and your professional commitment to the value of your message. Your booth has one chance to make a first impression to over 1000 people.

REMINDER- Homer Kachemak Bay Rotary pays to rent the school. We receive the nonprofit rate because we are not selling items or services - we are Exhibitors. We are here to provide Health and Wellness Information to the public. See item 4 under Standards. If you have any questions about this please give me a call.

Please keep the Rotary Health Fair in mind as you plan your business advertising. "See you at the Rotary Health Fair" is a great line for your advertising.

REMINDER door prizes are a very popular part of the Health Fair. Each Exhibitor is asked to provide at least one door prize to be given away at your booth.

We thank you for your commitment to providing this valuable service for our friends and neighbors. If you have any comments or suggestions we would love to hear from you!
