

SOME OF OUR PROJECTS!

Fire ring at Karen Hornaday Park, Homer, Alaska.

Shelter Box demonstration at Rotary Health Fair, Homer, Alaska.

Working on Great Baikal Trail, Lake Baikal, Russia.

PolioPlus, Rotary's most ambitious program to date, focuses on global immunization efforts and has played a leadership role with the World Health Organization, CDC, and UNICEF in bringing the world to the brink of polio eradication. The Bill & Melinda Gates Foundation has contributed US\$355 million to Rotary to support PolioPlus activities.

Club

What is Rotary?

Rotary is a global network of community volunteers.

Rotary club members are business, professional, and community leaders in your locality who meet regularly to plan and implement community service activities and network with other professionals. For those interested, members can also choose to become involved in international humanitarian service efforts. More than 1.2 million men and women in over 200 countries and geographical areas belong to over 33,000 Rotary clubs.

Rotary builds international understanding through scholarships, exchange programs, and humanitarian grants. Throughout the world, Rotary clubs participate in a broad range of educational, intercultural, and humanitarian activities designed to improve the lives of others.

Benefits of Membership

Belonging to a Rotary club provides members with an opportunity to make a contribution to their own communities and to communities around the world.

Members may join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie with fellow members. But perhaps the most important benefit is the satisfaction gained from making a real difference in the world.

Rotary Club of Homer-Kachemak Bay supports:

Club members register people for blood tests at Rotary Health Fair

Club members with Rotary Exchange student in Homer
