This Week's Program: JEDC Presents the Juneau Economic Development Plan

Brian has worked in community and economic development for the past twenty years. His experience includes working with diverse groups in challenging economic climates in the developing world, with extensive experience leading countrywide programs in Latin America and Eastern Europe. He served as a US Peace Corps Volunteer in small business development and has worked as an international consultant, small business owner, and has led large-scale relief and development efforts.

Brian is a graduate of Juneau-Douglas High School and received his B.A. from Notre Dame where he remains a devoted fan of Fighting Irish football. He moved back to his hometown in 2008 to the reins as Executive Director of JEDC.

Brian is committed to the prosperity of Juneau and to the health and wellbeing of its residents. In his role at JEDC he stays extensively engaged in community activities serving on the CBJ Fisheries Development Committee, Any Given Child, Alaska Partnership for Economic Development (APED), Juneau Workforce Consortium, Assisted Living for Seniors Task Force and the Alaska Committee.

RI NEWS: DISTRICT LEADERS SET TO CELEBRATE FOUNDATION'S CENTENNIAL

Rotary Foundation Trustee Chair Ray Klingensmith asked district governors in training at the International Assembly to lead the celebration of the Foundation's centennial year, 2016-17.

Since the Foundation was established in 1917, it has spent more than \$3 billion on programs and projects to improve the lives of millions worldwide, said Klingensmith.

The centennial celebration officially kicks off in May at the Rotary Convention in Korea and culminates at the 2017 convention in Atlanta.
