As October comes to an end along with our club's focus on Vocational Service, we celebrate with a very special annual event, the Vocational Service Awards.

Today the Rotary Club of Juneau honors organizations and individuals in our community who have provided *Service Above Self* while demonstrating the highest of ethical standards through their vocations or as volunteers. Based on nominations provided by club members, the committee has chosen to recognize community leaders and programs in four categories: a Nonprofit Organization; a Public Sector Program; a Community Partnership; and an Individual.

Each of those receiving an award today has provided community services that makes a difference in the quality of life we all experience. Every one of our awardees has far exceeded the expected parameters of any job description, choosing instead to give of themselves to improve a situation or condition. Though none is a member of our club, each exemplifies Rotary's ideals and is a living example of the 4-Way Test. We give them our thanks for their leadership and for serving as an example for what can be achieved when we put service above self.

Special thanks to Vocational Service Chair Ruth Hamilton Heese and the committee that put in all the work on the Vocational Service Award Committee: Sally Smith, chair; Armando DeGuzman, Millie Ryan and Wayne Stevens. They're the ones who reviewed your nominations and considered each based on criteria that included everything from how a nominee demonstrates high ethical standards, honesty and integrity, to inspiring others to make a difference, as well. Our thanks and congratulations to them and to all of our winners!

1 Rotary Awareness Month	2 World Understanding Month	3 Literacy Month	4 Magazine Month
5 RI Convention Month	6 Rotary Fellowships Month	7	8 Membership & Extension Month
9 New Generations Month	10 Vocational Service Month	11 Rotary Foundation Month	12 Family Month

**Rotary International Monthly Themes:** RI's annual calendar designates a theme for almost every month in the Rotary year — the only exception being the first month of the new year, July. That's the time new presidents work with their boards and membership to kick off their year in office. Other than that, each month lends itself to programs and activities throughout the year!

### Coming up in November — FOUNDATION MONTH (and the REALLY-BIG-DON'T-MISS-IT-FOUNDATION-AUCTION!!)

With November and Foundation Month just a few days away, it's time to brush up on that elevator speech for Foundation! As Rotarians, we commit to supporting this respected nonprofit with a yearly cash contribution at a level we can afford. Our club goal this year, achieved primarily at our upcoming auction on November 18th, is to raise a total of \$14,000 to donate to the Rotary Foundation (TRF), with \$2,500 of that amount dedicated to its efforts to eradicate polio through the "Polio Plus" fund.

#### Every Rotarian, Every Year

We also have committed to meet Rotary's "Every Rotarian, Every Year" (EREY) initiative, which promotes support for the Foundation by

Encouraging **Every Rotarian** to participate in a Rotary Foundation, humanitarian or educational project that truly makes a difference in the world, and by

Encouraging **Every Rotarian** to contribute at least \$100 to the Rotary Foundation's annual Programs fund Every Year. If you cannot meet the \$100 level, please donate at whatever level you can afford! **Our club will be recognized as an EREY club if every member makes at least some donation, at any level.**

There are so many ways you can become directly involved in a meaningful project to meet our EREY goal: help with the Literacy Caboose project from our Satellite club... sign up to serve breakfast at the Glory Hole... attend our yearly Paul Harris Breakfast in April, which celebrates the efforts of Rotary around the world. (Learn more about the Foundation next week.)

There's only two more weeks left until our annual Foundation fundraiser, our auction. Grab bags, silent and outcry items, and an amazing dessert auction make for a wonderful way to raise money for the Foundation and just have some noon-time fun! More info next week, but for now know perennial favorites such as Sandy Williams' baskets of homemade/homegrown items will be joined by a number of new items including a Gustavus vacation rental and an Oktoberfest-Any-Time-of-the-Year dinner.

According to co-chair Ann, grab bags are already on sale and reported that last week's sales were "brisk" – but there's still room for donations. Please see her or co-chair Karen (West) today.

*President Karen joins Rotarians and other leaders around the world to point out "We're This Close" to eradicating polio.*
