International Theme:

This Week's Program: Happy 80th Birthday Juneau Rotary- Stories from Rotary Days of Yore

On October 22, 1935, 22 Rotarians held the first regular Tuesday lunch meeting of the newly-organized Juneau Rotary Club. The second oldest club in District 5010, Juneau Rotary was chartered on November 2, 1935. The new Juneau Club was sponsored by the Ketchikan Rotary, the first in the state and 2000th club to be chartered by Rotary International. Since then, the "Downtown" Juneau Club helped start a number of other clubs in Alaska, which in turn founded other clubs, thus allowing our District to span from Canada to Russia: (no longer Russia)

- Fairbanks, 1940
- Anchorage, 1941
- Sitka, 1941
- Petersburg, 1941
- Juneau Glacier Valley, 1964
- Juneau Gastineau, 1988

Over the years, the Juneau Rotary Club has been at the forefront of a number of community projects. The list of community organizations helped by Rotary includes St. Ann's Hospital, the Zach Gordon Youth Center, the Salvation Army, the University of Alaska, Juneau Parks and Rec, the Glory Hole, the Russian Orthodox Church and the Augustus Brown Swimming Pool.

RI NEW: CELEBRITIES, HEALTH OFFICIALS COME TOGETHER TO HAIL PROGRESS TOWARD POLIO'S END

After a historic year during which transmission of the wild poliovirus vanished from Nigeria and the continent of Africa, the crippling disease is closer than ever to being eradicated worldwide, said top health experts at Rotary's third annual World Polio Day event on 23 October in New York City.

More than 150 people attended the special Livestream program co-sponsored by UNICEF, and thousands more around the world watched online. Jeffrey Kluger, Time magazine's editor at large, moderated the event.

Anthony Lake, executive director of UNICEF, lauded the Global Polio Eradication Initiative's efforts. After nearly 30 years, the GPEI, which includes Rotary, the World Health Organization, UNICEF, and U.S. Centers for Disease Control and Prevention (CDC), and is supported by the Bill & Melinda Gates Foundation, is on the cusp of ending polio. It would be only the second human disease ever to be eradicated.
