MacKinnon, Caitlyn  
McLaughlin

**November 13:** Carla Meek,  
Andy Mills

**November 20:** Heather  
Mitchell, Karen Morgan

**November 27:** Marie Nelson  
-Toland, Barbara Propes

**November is Foundation Month!** Our first meeting of the month will focus on the Rotary Foundation's activities — around the world and here at home. We'll also take a look at the Foundation's humanitarian mission and how our club's goals to support it.

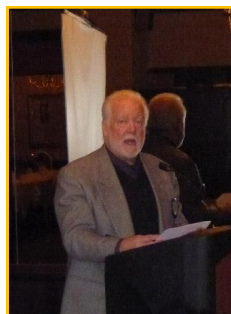

In honor of the month, a club favorite returns — Rotary Jeopardy!

What is the Rotary Foundation? What is EREY? What are the Rotary Peace Centers? What is Polio Plus? And what IS a Paul Harris Fellowship, anyway? These questions will be just of few of the "Answers" in our second Rotary Jeopardy Challenge. Find out your "Foundation IQ" in a lively and fun way.

## Vocational Service Awardees

Congratulations to our Vocational Service Award Winners — and thank you Greg Wagner and Wayne Jensen for making them happen! (Special thanks to all who submitted nominations.) Shown here: Drew Green, Cruise Line Agency (Business — nominated by Denny DeWitt); Wash-

ington Parks, Social Security Administration (Individual — nominated by Sally Smith), Salvation Army — nominated by Don Warriner. Not shown, members of the House Build Team, a public/private partnership coordinated by the Juneau School District. (Learn more on November 20th!)

There's no such thing as a free lunch — but there IS a free breakfast, our annual Paul Harris breakfast, on Saturday, November 17, from 9-11am at the Juneau Yacht Club.

Whether you're already a Paul Harris Fellow, Group Study Exchange team alum, a current member, former member or wanna be member of our club, you're invited (as are our families!).

We'll be providing the breakfast – we just need to know how much food to prepare. (Of course, you're always welcomed to bring a dish, as the ClubRunner invite mentions.) We'll also be providing a glimpse at how some of our fund-raising dollars are spent as part of our wheelchair project -- most recently in

Russia's far east. Sign up today! (or just let President Ann know that

you and your family are coming).

## Juneau Interact Helping the Homeless

As it has done since 2004, Juneau-Douglas High School's Interact Club is holding its annual Sleep Out on Friday, November 9th. The members note on their website: *the Juneau School District alone has identified 201 homeless students in our district. These numbers represent the students who are classified as "families in transition," or students who lack a fixed, and adequate nighttime residence. To help these students and families, JDHS Interact started a Homeless Student Fund that provides school supplies, bus passes, toiletries, and other necessities. The Sleepout is our fundraiser for this fund. Interactors sleep outside in Alaska's November weather to help the community realize how serious an issue student homelessness is, as well as to raise money through pledges and donations. Pledges can be made based on the number of hours the kids will sleep out (maximum number of 12) or a flat donation made out to JDHS Interact. Either mail them to: Juneau Douglas High School, 10014 Crazy Horse Drive, Juneau, AK 99801 or drop it off at the office with a note that includes YOUR name/address. Need more information? Contact Anna at: annalowrain@yahoo.com. (Picture from a past Sleep Out —The Juneau Empire)*

The only constant may be change, but one thing we can count on each year is our annual Foundation Auction.

For example, there's Sandy Williams' *basket of potatoes, oil, garlic and onions* and its partner, *a basket of jams & jellies*. These aren't just "baskets" – they're an amalgamation of the master gardener's green thumb – and a truly local host or hostess gift for thanksgiving... or throughout the holidays. Other favorites? Advertising for your company, M'iva's sourdough starter, an Alaskan Brewing basket, Warren's moosemeat, a magnum of wine and dinners featuring cuisine from Mexico, Hawaii and India. Nothing says "fellowship" more than an evening of food and drink with a group of friends – prepared by members of the Club! For a complete list of this year's items, visit Club Runner today – and place those early bids by contacting auction co-chairs Marsha & Marian.

Let us not forget the dessert auction, either! According to Marsha, Mary Lou is doing her annual, fantastic job of rounding up epicurean treats for this annual "table-treat" and a fun way to add a little sweetness to your life. So far palates will be tempted by a collection of cakes, pies, brownies and "something chocolate" —

And don't forget this year's grab bags, one of which will contain a Paul Harris Fellowship (a 1000 dollar value). Fifty dollars gets you a bag of swag and treats donated by members and their companies... it also gets us even closer to the foundation fundraising goal of \$14,000. Bottom line? Bid high and often to donate to the cause!

**TWO BY TWO's** — last week's entry, Pam Halloran and Sharon Gaipman. Stay tuned for more when two members, chosen at random, sit down to get to know each other, over coffee or

something similar, and then have two minutes to introduce the other person to the club. It's a great way to learn about the other members of the club. Shown here — Pam and Sharon after last week's effort. Also shown, Ruth and Mary on the Big Island giving new meaning to Two By Two's. Mahalo for the update, Mary!
