Today's speaker

## Keeping the salmon swimming in Southeast

Eric Prestegard is the Executive Director of Douglas Island Pink and Chum, Inc (DIPAC) a large salmon enhancement organization in Juneau. He has a wide range of responsibility, from production development to hatchery operations and design.

With more than 35 years of experience in salmon enhancement from Oregon,

Washington and Alaska, Prestegard has extensive experience in the culture and management of salmon with emphasis on sockeye salmon.

He has been involved in the development, planning and operations of many of the sockeye hatcheries in the state of Alaska. These include the Gulkana Hatchery, Main Bay Hatchery and the Snettisham Hatchery. He is also a member of the Transboundary River Enhancement Subcommittee for the Pacific Salmon Treaty that has oversight for the enhancement of the three main sockeye producing rivers in Southeast.

## Friday night's the time to wine and dine

The 13th Annual Rotary Wine Tasting & Auction is coming up on Friday. Tickets will be available today from Bob Rehfield, Keni Campbell, or Peter Jurasz. Or you can call Campbell at 796-6569 to purchase a ticket over the phone. If you would like a book of tickets

to sell, please see Campbell, so she can check some out to you.

The festivities run from 6 until 8:30 p.m. Friday at the Juneau Arts and Culture Center, 350 Whittier St. Tickets cost \$45 each (which includes a souvenir wine glass). Attendees must be 21.

## Share a bit of the book that you always bring with you

On Feb. 18, members of the Rotary Club of Juneau are asked to bring their favorite books and to have an excerpt ready to share.

To help inspire some top selections, here's a bit from one of Charles Ward's

favorites. See if you can figure out the title.

"For instance, on the planet Earth, man had

## RCOJ looks to launch a successful satellite

*[Editor's note: The following is a message from President Brenda Hewitt.]*

As you know we've been working on starting a satellite Rotary club for people who need more flexibility in their schedule but want to be a part of Rotary. At this point we are not sure exactly what this club will look like. Many of you have heard my vision for this club, but this is not just for me or about me. It's about "us" and what we want. We need you and your input to mold this into what we feel is best suited for the majority.

With that said we'd like to invite you to the initial meeting to discuss membership and outline. That gathering will take place at 10 a.m. March 1 at Elgee Rehfeld Mertz.

There are a couple things I think you should know. First, satellite members will be full Rotarians and eligible for all the benefits that a Rotarian receives. Second, satellite members only have to attend two meetings a month. The when and where we conduct those meetings is entirely up to us. Third, our annual dues are less than \$40. Fourth, we get to pick the projects we want to take on.

Start thinking about questions, ideas and thoughts you may have around making this a successful club. We will also need to come up with a name for our club, so consider that as well. Thank you for your time and interest and I look forward to seeing you at the initial meeting.

## Write the wrap up to Rotary's Week

This year, the Communications Committee took on the task of bringing you an added feature to your inbox every week — an after-meeting wrap-up of what happened. Thanks go out to Ann Metcalfe, Bridget Lujan and Mary Lou Gerbi for doing this on a regular basis, and to Pam Halloran, who has agreed to do so for the next month.

There's still a need for volunteers to finish out the year. If you're interested, contact Sharon Gaipman at [sgaipman@yahoo.com](mailto:sgaipman@yahoo.com).

## A meeting of the minds

From left, Wayne Jensen, Karen Morgan and Brenda Hewitt exchange ideas before a recent meeting.

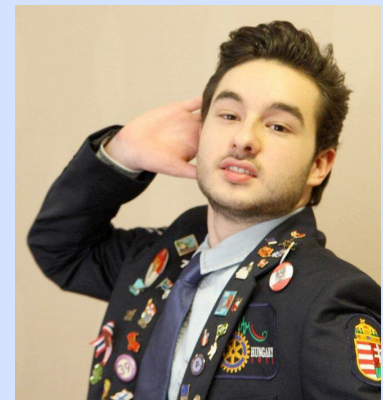

## Book
