## This Week's Program: Fabie Ferraz Inbound Exchange Student - Brazil

Hailing from Sao Paulo, Brazil, Miss Fabi Ferraz has quickly become a proud Alaskan and Rotarian. She left behind a life of ballet and volleyball in Brazil, swapping sun and sandals for rain and Xtratufs. Now, nicely settled in her new home, Fabi has found friends and comfort in her school, Rotary club and host families (she's on final family #3 with Outbound parents Kathy and Doug Blanc). Fabi is loving life in Juneau, taking up a few new hobbies... cheer, soccer, fishing hiking and yoga!

Remember to wear your pins, put up your posters and ASK-ASK-ASK your friends and neighbors if they would love a dozen roses while supporting a great charity this spring. Use the order forms in your packet or tell folks to go online to order roses - top link on the [www.JuneauRotary.org](http://www.JuneauRotary.org) website.

## UPDATE FROM WILL BLANC IN INDONESIA

Will Blanc is having a fantastic exchange experience in Bali, Indonesia. Will has stayed with two host families in Denpasar and has thoroughly enjoyed them both. He is attending a vocational school in Denpasar that has a focus on the tourism industry, so in addition to his Indonesian, Balinese, English, French, Balinese Culture and Math classes, he is learning how to cook, wait tables, and other customer service and hotel management skills!

As the only Rotary exchange student in Bali, and as his schools first and only exchange student, Will has greatly benefited from a true immersion experience. He has received a warm welcome from the other students in his school and enjoys spending time with his Indonesian friends at school and after school on the beach!

Will's host club, RC Bali Taman is very involved in the local community and operates several local projects including a mobile women's health clinic, sanitation and tree planting projects, and support for local schools by providing textbooks and supplies. Will has participated in the

club's service projects and in the RYLA Youth Leadership Academy held in Bali this fall. He also has had an opportunity to speak about Alaska to another Rotary Club in Bali and at an elementary school. He has visited Semarang and Surabaya on the island of Java with the other Rotary Inbound students and is looking forward to his "Big Trip" with the other Inbounds to see more of Indonesia in May.
