Walking a mile in her shoes... past presidents (and future past presidents) lend PE Brenda a hand to make sure this year's roses are delivered in a timely manner. From top left surrounding this year's "Rose Queen": Steve & Sally (Saddler), Barb, Sharon & Mary (Becker), Jeff & Sally (Smith), and current presidents Amanda (Gowdy/Rotaract) and President Ann.

Thank you, **Alaska Litho/Copy Works**, for printing *The Windjammer*.

PRINT SOLUTIONS

Thank you Juneau Rotarians for all your hard work. We had lots of compliments on the quality of the roses this year. We sold nearly 1200 dozen roses, grossed more than \$34,500 and profited approximately \$17,000.

Sixty-five Rotarians sold roses; 28 Rotarians delivered. We had super stars, as usual; but truly, this event could not have happened without each and everyone doing his/her part. If I start a list to give specific "thanks," I know I'll forget someone. So...

Thank you all! This is the funding we'll use for next year's projects...yeah!

RI News — April is Rotary Magazine Month

The month of April is annually designated as "Rotary's Magazine Month," an occasion to recognize and promote the reading and use of the official R.I. magazine, THE ROTARIAN, and the regional magazines.

THE ROTARIAN has been around since 1911 as the medium to communicate with Rotarians, to advance the programs and Object of Rotary. A primary goal of the magazine is to support the annual theme and philosophy of the R.I. president and to disseminate information about new and special programs, major meetings and the emphasis of the several official "months" of Rotary. THE ROTARIAN provides a forum in which both Rotary-related and general interest topics may be explored, as well as lively debates on topical questions. The magazine serves as an excellent source of information and ideas for programs at Rotary club meetings and district conferences. Many articles promote international fellowship, goodwill and understanding. Regular readers usually have superior knowledge of the activities of Rotary and how each Rotarian may be more fully involved in the Avenues of Service.

In addition to THE ROTARIAN, there are 27 regional magazines printed in 21 languages. Although each regional publication has its own unique style and content, they all provide Rotarians with up-to-date information and good reading — in April and all year long!

Club News Briefs

Strawberry Luncheon: Heather is still looking for models and helpers for Friday, April 26th. Get in touch with her: jnuhmm@gmail.com or call 790-3131. Don't feel like modeling? Get a ticket and come cheer on the home team!

Grab your Rotary apron and head to **Empty Bowls**, Sunday, April 28th — either as a Rotary Club of Juneau volunteer or as an 'attendee' to eat bowl of soup and help support the Glory Hole — or both! According to Wayne Stevens, this year's organizer, there are two shifts and an opportunity to sign up on Clubrunner. (Don't forget — you can also volunteer to cook brunch! See Barb...)

Bill Hopper, PDG and District Membership Chair, has arranged to have Penny Offer, regional membership director, come to Juneau for a "membership presentation" for membership chairs, other officers current/future/past, and anyone else who is interested in learning more about recruiting and retaining our members. This is a terrific opportunity for all of us to learn ways to help increase our membership. Mark your calendars for April 25, JACC Gallery, 7PM; or attend the webinar, which will be conducted in Anchorage on April 27 at 2:00 PM. As Bill likes to say, "Every member of the Club is a member of the membership committee!"
