Still time for ‘Service above Self’ nominations

The Service above Self Award recognizes and honors those in the Juneau Rotary Club who have, over a period of time, best exemplified this motto which is at the core of what it means to be a Rotarian.

This award is the highest honor that can be bestowed on a member of the Juneau Rotary Club. Past recipients include John Sandor, Sharon Gaiptman, Bob Rehfeld, Sally Saddler and Wayne Jensen.

Every member of the Juneau Rotary Club has the opportunity to nominate a member who is worthy of this honor. A committee appointed by the current club president will meet and select the Rotarian to receive this distinguished award, which will be presented at the Changing of the

Guard banquet, set this year for May 27. The committee will make their decision based upon, but not limited to Juneau Rotary Club offices, positions, activities, service to the community and honors received.

Nominees must be members in good standing; active in three or four club sponsored activities such as proposing new members, youth exchange, group study exchange, fundraising activities, community or international projects and or community service projects; meet professional standards and ethics and have held Juneau Rotary Club membership for at least five years.

Nominations must be made by Friday and can be submitted to Sharon Gaiptman or Sally Saddler. Check juneaurotary.org for more.

Service through socks

The Interact Club is collecting socks for a service activity. The footwear will go to an orphanage. With summer here and sandals in fashion, please spare a pair.

Get your RSVP in for the Changing of the Guard

Journey

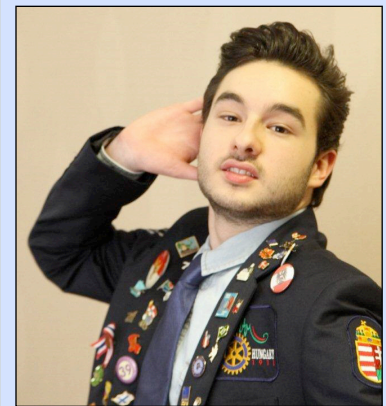

Continued from Page 1

In 1995, the Kennedy Center commissioned Rosenthal to create and premiere a two-person show for young audiences. *Strings & Stories*, which combines storytelling, theater, mime, and music for solo violin, came from that commission. Along with Los Angeles actor Bill Blush, she performs this show in schools, libraries, museums and theaters for thousands of children across the country each year under the auspices of the New York-based Piatigorsky Foundation.

Rosenthal has commissioned and premiered many works for solo violin, electric violin, violin and piano and violin and narrator. Her solo CDs include *Three American Sonatas*, *Favorite Violin Encores*, *Fiddle-de-Bop*, *Glacier Blue* — *Concerto For Violin and Big Band* by Evan Solot, commissioned by Juneau Jazz & Classics in 2000.

Rosenthal received the Governor's Award for Excellence in the Arts in 1978 and an honorary doctorate of humane letters from UAS in 2005.
