## This Week's Program:

# COMMITTEE SPEED DATING!

Today we're going to spend some quick, quality time with each committee to find out what's happening and where you may be interested in "lighting up rotary"!

Each Committee will host a table:

- Administration
- Community Service
- Vocational Service
- New Generations
- Membership
- Club Communications
- Family Action (if they choose to participate)

Members will choose a Committee table that is most attractive to them, (interests them most and/or which they know little about). They will spend 5 minutes at the table learning the goals of the committee and the projects planned for the coming year. If they are interested in participating in any of the projects, they may sign up then or ask for additional information about the committee.

After 5 minutes a bell will ring. Then members will rotate to the next table. And so on and so forth until they have visited all tables.

Our goal is to have 100% participation in at least one committee/project for every member - so get speed dating!

## Farewell To Toe Tappin' Tomi

We said goodbye to Tomi Katona this weekend, our exchange student from Budapest, Hungary. Dogs entertained and amused while exchange students enjoyed hot dogs and s'mores on a sunny Saturday afternoon at Auke Rec.

Last week Tomi gave the club his final farewell in a written address with recollections of his amazing time with our club, his host families and all the lessons he had learned. As an ambassador of his own country, Hungary, we learned of famous hungarians and their contributions to history.

## Farewell Tomi *(continued from page 1)*

Here are a few select quotes from Tomi's farewell address to the club last week:

- Hello everyone or I should say 'Sziasztok, jó napot' because this is how we greet friends in Hungary.

- Rotary is like a third parent to me, it has taught me things I would have never learnt if I hadn't come on exchange.

- How many Hungarians can say that they lived in Alaska, that they were woken up by hungry bears in the middle of the night, that they kayaked past sealions or that they hiked the most beautiful places on the face of this planet.

- But this is what exchange is about, you get this whole different culture in your face and you live in it for a year and you become part of it as much as it becomes a part of you.

## Club Reminders

**DG Dick Sutliff** is coming to Juneau! Among the many things on his "to do" list while he's here are speaking to our club at our weekly meeting on the 15th and joining in the fun and fellowship of the Rowdy Rotary Reunion. (DG Dick holds the highest office in our district, 5010.)

Alaska's **ShelterBox Ambassador Nancy Dodge and the Rowdy Rotary Reunion**. You'll learn more about ShelterBox and Nancy's commitment to the program by coming to hear her speak at the Baranof at noon on July 17th (\$18/person, includes tip). She is passionate about ShelterBox. In just the first six months of her ambassadorship, which began in March of 2013, she held more than 19 fundraisers and events, seven of which were in Alaska.)

Two days later, join your fellow Rotarians, families and friends for this year's **Rowdy Rotary Reunion** beginning at noon on July 19th. his year's is being coordinated for our club by Millie Ryan who is handling this for our club and can give you all the particulars!
