Picture Perfect (Attendance!) Shown here: Sally, IPP Clark, Ruth H., picking up their perfect attendance pins after missing the 8/7 presentation. They're the perfect example of not having to attend every weekly meeting in order to receive a "perfect attendance" pin. Make ups are SO easy — especially when a club has as many make-up opportunities as ours. The Lemon Creek greenhouse build and Brewfest are two events that could use your presence — and help. Or go to the Gastineau Club, Glacier Valley or Rotaract... and then, again, there's always an e-club!

Regarding this week's build, Chair DeWitt noted that after carrying our club to victory at the Rowdy Rotary Reunion 2012, Jensen, DeGuzman, Gruening, Hewitt and DeWitt were joined by Bryan, Spencer, Badgley, Cox and Mills to do a "whale of a lot of work on the Greenhouse." At last night's board meeting, Denny and

Wayne agreed the project should be completed by early fall. Help make it happen by joining in this weekend at Lemon Creek. The work is fun – and the fellowship great!

You are cordially invited...

Time's Running Out! Applications for this year's Group Study Exchange to Brazil are due by August 30, 2012. Each Club can only sponsor one applicant, so if you know of a young professional, working in the field of water safety & sanitation, make sure they get their application in as soon as possible. Get more information from Cori, Andy, Bill F. or Warren.

FINALLY... Grab a poster and help get out the word about the first ever Capital City Brewfest! Be a part of this exciting new community event. Find out more from Andy Mills, or come to the next meeting on Wednesday at the JACC at 5:15pm.
