Timi Tullis has lived in Juneau for 17 years and worked for UAS for six years before joining the team at the Association of Alaska School Boards in 2001. She plans all of AASB's conferences and facilitates in-district workshops. One of those little unknown facts about Timi is that she lived in student residence halls in three different colleges for over 14 years of her life, most of those as a Hall Director; the crazy lady that tried to keep all those students in line and focused on helping them get through college. She has a special place in her heart for training youth leaders, as she has volunteered her time to lead RYLA for seven out of the last nine years! Timi has an MA in Education from Michigan State University and bleeds green!

Scenes from Saturday...

The Fifth Annual Rotary International Potluck will be held at the JAHG on Sunday, September 30th, 5-8PM. Rotarians from all three clubs, Rotaract and Interact members are invited to help celebrate with our exchange students Amalie von Benzon and Alex Peterburs,

who have recently arrived from Denmark and Germany respectively. As has been the case since the Potluck began in 2008, we'll celebrate the wonderful people of Juneau who open their hearts and homes and serve as host families for our students, all of our volunteers who provide opportunities for our students to experience Juneau and Alaska, and prospective host families and students who may be interested in learning more about our program. Bring a dish and your family -- and come to gain a better understanding of how we build world peace through service and youth exchange. If you know of a young adult in Juneau between the ages of 14 and 16 years who may be interested being an Outbound or a prospective host family, definitely invite them to be our guests, as well! (PS: Rotaract is decorating. Not only will there be great food, but great décor, as well; and New Generations is guaranteeing that, as in years passed, a GREAT time will be had by all.)

NEW GENERATIONS MONTH ACTIVITIES: More than 80 Rotary Youth Exchange Student ambassadors and Rotarians who work with these kids (Youth Exchange Officers/YEOs) met at North Star Bible Camp in Hatcher Pass to spend this past super-sunny week-end enjoying each other and learning about their roles and responsibilities in District 5010's award winning program. Twenty-two Inbounds from 16 countries (our inbound Keishan Pillay will arrive from South Africa in January) learned about the *Six B's*, the *Five D's* and how to have a great year living in Alaska. Additionally, 22 Alaska and Whitehorse students recently returned from 17 countries around the world, worked with internationally renowned psychologist Dennis White to reacclimatize and get support as they go through reverse acculturation. YEOs received training on their roles, how to recognize and help with cultural problems students may have and many other topics. Blind canoe races helped build friendships and the week-end culminated with the Rebounds sharing "How I Have Changed" (and boy have they!) with everyone.

Pictured above (from left to right): #1 Sally Saddler, Inbound District Coordinator, Josette Renken, our club's "adopted" Outbound from Kenai who just returned from a year in Kyrgyzstan, and Club New Generations Director, Virginia Stonkus; #2: Juneau Youth Exchange Contingent (Inbounds, YEO's and Rebounds) who attended Fall Orientation in 2012 and #3: DG-

And speaking about New Generations, our new generation members (and some of the older folks, too) are putting on the first ever Capital Brewfest, our first ever. This year's event will benefit SAGA. If you haven't bought tickets yet, sales online are doing well — over 170 and growing every day. Counting paper tickets, that's over 200 sold so far. Any questions, corner Andy Mills at today's meeting, email him at andymills.me or give him a call: 957-1242.

Juneau Rotary's International Committee reports that plans are being developed for a Canadian-Alaska Wheelchair Delivery project to Russia possibly during the first week of November 2012 (or alternatively the 2nd or 3rd week of October). Any Rotarian interested in participating in this wheelchair delivery project in Russia should contact Warren Russell or John Sandor.
