Doug Gardner
Ruth Kostik

October 13

Drew Green
Heather Mitchell

2015-2016 Rotary
International Theme:

This Week's Program: Representative Sam Kito, Medicaid Expansion in Alaska

Sam was born and raised in Alaska and first moved to Juneau, Alaska in 1991. He has worked across Alaska on projects in engineering, transportation, community planning, and government relations. He has experience within the private sector as well as local, state, and federal government agencies.

Sam is committed to and passionate about Alaska's future. He supports prioritizing education and public safety in our state budget, and he believes it is vital to take care of existing public infrastructure before building new.

Sam earned his Engineering degree from the University of Alaska in Anchorage and was recently inducted into the UAA College of Engineering Alumni Hall of Fame. In addition to his legislative work, Sam remains an active member of the American Society of Civil Engineers (ASCE), is the current ASCE Juneau Branch Vice-President, and has served in various capacities with the Alaska Professional Design Council (APDC), Alaska Society of Professional Engineers (ASPE), Professional Engineers in Private Practice (PEPP), and the Institute of Transportation Engineers (ITE).

Sam serves on the Glacier Swim Club and is the father of a Juneau-Douglas High School sophomore.
