

The Windjammer

Today's speaker: Turning wishes into reality

Linda Harris' volunteer work for the Make-A-Wish Foundation spans eight years.

She began as a wish granter in Tacoma, Wash., before returning to Juneau five years ago, where she has continued her Make-A-Wish work.

However, Harris' connection to Juneau goes back more than three decades, when she first moved here from Puyallup, Wash. Along with her late husband, Jack, she owned and

operated two restaurants in Juneau, including Yancey Derringer's. The Harrises then took their restauranting skills to Hawaii, owning two eateries in the Aloha State.

In addition to volunteering with Make-A-Wish, Linda works for the Juneau School district and is a hospice and home care volunteer. She also enjoys watching her grand children hit the field, ice and/or court, depending on the time of year.

Mills shills for volunteers

Andy Mills, center, tries to talk Aaron Morrison into signing up for a volunteer shift during the upcoming Brewfest, which takes place from 1-5 p.m. on Sept. 14 at the JACC. In addition to plenty of volunteer spots remaining open, tickets to the event can be bought at cappbrewfest.com, at Hearthsides Books, or at the JACC.

Get ready for some auction action

It's a year of sailing the seven 'C's (Community, Club, Charity, Camaraderie, Caring, Communications and Connecting) with President Brenda Hewitt and when members of this year's Foundation auction committee met last week, they kept that in mind.

This year's auction, *Get Onboard for the Foundation!* will be held at noon on Nov. 19. If early excitement is any indication, it's going to be a fundraising effort for the Rotary Foundation.

This year, Karen West took over as Foundation chairwoman — a position she's held in the past — and with it is now in charge of the auction. Marsha Smith and Marian Clough, last year's Foundation co-chairwomen, initiated or maintained a number

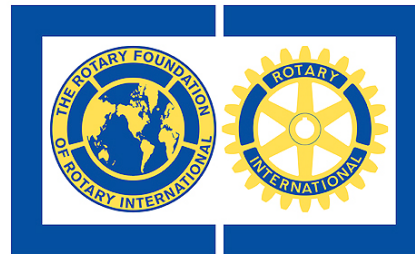

of things that will be continued this year — more clarity in terms of individual Paul Harris and Foundation commitments and grab bags, for example.

We'll look at each of these in more detail as we get closer to Foundation Month in November and the auction. We'll also let you know how

you might be able to get in pre-bids online — and what's going to be in our world famous and highly competitive dessert auction. For now, get your donations in. You'll be receiving a call from a committee member

looking for treasures for the grab bags and the auction. Get together with fellow Rotarians and offer a dinner, a fishing trip or a guided hike. Ask your favorite restaurant for a lunch or dinner gift certificate or hotelier for a Juneau getaway. You can even look around your home — you might be surprised at what you might find!

For more information about our auction, keep your eyes on our website: juneaurotary.org. More information about the Foundation can be found at the rotary.org site or by Googling "Rotary Foundation."

Don't snooze on a chance to cruise to lunch

The Diamond Princess

The annual quad-club cruise ship luncheon is set for Sept. 17 aboard the Diamond Princess at the Franklin Dock, but signups must be received by today so security information can be sent in time.

The lunch an excellent opportunity to bring your spouse, parents, a child who is over 5 years old or a friend to a Rotary event.

The cost is \$35 per person, which can be paid to John Blasco. Please bring your photo ID when you pay. If you received an email from Karen Morgan regarding this event, please use that to register, but don't forget to provide your security information separately (and to pay).
