Patti Mackey, a long time Rotarian, and a recent contender for the State House of Representatives who also works for the visitor industry, presented the Ketchikan Story Project at our club.

The cruise passenger taxes funded this project which has won 4 Emmies. We are proud of our community. There are the following Stories told:

1. A Fish Story
2. Our Native Legacy
3. The Artists
4. The Timber Years
5. The Bush Pilots
6. A True Frontier.

Michelle O'Brien DGN presents the banner from Kevin Cogan DGN's club. He and his family visited Ketchikan during which they were sported around by Michelle and the Roppel family. Sue Bethel, PE and Past President, and Leadership Academy instructor, led the club in President Baca's absence! Great job by all!

Margaret explaining that the University Scholarship applications have been adjudicated and if others want a peak at them, let her know. We have 7 folks applying this fall.
