Malibu Rotary Club meeting with Malibu Chamber (Paradise Cove Cafe)

Barbara Bruderlin CEO of the Malibu Chamber welcomed members of the Malibu Rotary Club it's "Connection Breakfast" at the Paradise Cove Café on March 13. Barbara told the Rotarians she wasn't even aware there was going to a joint meeting of the clubs until Nagy Heinen told her about it the previous evening. The quarterly meetings had been arranged the previous year by Malibu Rotary Club President Bianca Torrence and they have been on the Malibu Rotary Club calendar since then. But Barbara has not put the joint meetings on the Chamber calendar. The next one is scheduled for June 12. Please tell Barbara. The good news about these meetings

is that the staff at the Paradise Cove Café can accommodate us with amazing speed and efficiency no matter how large a group shows up. Everyone orders off their diverse breakfast menu and they accept everyone's individual credit cards. The event also validates for parking (\$35.00 value). Each of these meetings has been a great chance for people in the Malibu community to sit and talk to each other.

Like Rotary, the Chamber has a guest speaker at each meeting and for the meeting of March 13, that person was Paul Shaw CPA and Financial Adviser who had 2 main topic to talk about. The first topic was the huge changes that have been made in the federal tax law in 2019. There used to be several different 1040 Forms. Now there is only one. Tax brackets have changed. The first bracket is now \$18,000 for individual. The second topic Paul talked about and gave handouts about was Casualty Loss and tax relief for victims of wildfires. It used to be that if you had a casualty loss, such as your house burned down, or was destroyed by an earthquake or flood that wasn't covered by insurance, you could write off this casualty when filing taxes, whether it was a declared Federal Disaster or not. The new 2019 law only allow the tax write off if it is a declared national disaster. Since the Woolsey fire was a declared natural disaster it qualifies for the casualty deduction. Also, because it was declared a national disaster and if you were evacuated (and everyone in Malibu was), you can use as casualty loss the amount you paid for hotel stay during the disaster.

This reporter forgot his cell camera in the car so we don't have a picture of Paul, but we must say he had a lot of good information to tell us and we will try to get him as a Rotary speaker in the future

Other Malibu Rotary News

The evening before the Malibu Rotary-Malibu Chamber meeting Malibu Rotary Club President Bianca Torrence reported that she had fractured her right foot and to avoid surgery has been

advised to stay off her feet for the next 5-6 weeks while her foot heals. She will not be able to attend Rotary meetings during this time. She is still hoping to go on the District Humanitarian trip to Peru. In an e-mail she wrote that the Malibu Rotary Club has been accepted as lead club in Rotary Global grant **BARRANCA-Smile Project**.

Guests

In addition to returning guests **M. J. Ilknur Tekin Ph.D**, and **PDG Tom Bos**, from the Holland Michigan Rotary club, the entire Malibu Rotary Club who attended the Malibu Chamber Connections breakfast were guests. These included **Bob Syvertsen, Carly Rudkin, Margo Neal. Mark Koller, Bill Wishard, and John Elman**. Individually **Nagy Heinen** is a member of the chamber and Rotary so he wasn't a guest.

Rotary District Foundation Grant to Malibu fire victims

In a televideo meeting January 21 initiated by Rotary District Governor Joe Vasquez and Malibu Rotary Club President Bianca Torrence and attended by district and club leaders the Rotary District agreed to allocate \$15,000 from the Rotary District Foundation to Malibu fire victims.

The Malibu Rotary Club was charged with quickly deciding how the money would be distributed to victims of the November Woolsey fire which affected so many homes and people in Malibu. The Malibu Rotary Club is not equipped to sift through the needs of all the individuals who need help during this natural disaster and they have decided to turn to the Malibu group which was created to do just that—the Boys & Girls Club of Malibu Emergency Relief Fund. It is the same organization that helped the Malibu Rotary distribute the \$11,500 total donation raised by the Venice Playa Vista Rotary Club. Using the extensive application process and review that had been devised by the committee of the Boys & Girls Club of Malibu Emergency Relief Fund that had been submitted by fire victims the Malibu Rotary Club was able to distribute 23 \$500 gift cards to Malibu students who had sustained losses in the recent Woolsey Fire which destroyed over 670 structures in Malibu. District Governor Vasquez emphasized the need that recipients and the process be well documented, and the Boys & Girls Club of Malibu Emergency Relief Fund does just that. Margo Neal sent the documents used by the B&GM Malibu Emergency Relief Fund to DG Vasquez in an e-mail after the conference call meeting. Details about the structure of B&GM Malibu Emergency Relief Fund are printed below.

On November 11, 2018, The Boys & Girls Club of Malibu established the Malibu Emergency Relief Fund (Fund), in

response to the Woolsey Wildfire that was declared a city, state and federal disaster. This fund is in partnership with The Malibu Foundation sponsored by GVNG.org, and has support from Senator Henry Stern as well as the City of Malibu. Boys & Girls Club. Malibu has also consulted with and implemented best practices established by disaster relief experts, Waves for Water.

The Fund will be administered by the Boys & Girls Club of Malibu, which will allocate and distribute funds to support impacted individuals/ households. Currently, we are raising funds to support people living in and working in unincorporated and Malibu City limits being defined by the geographic boundaries of the Santa Monica Malibu Unified School District. This new fund allows Boys & Girls Club of Malibu to serve vulnerable members of our community through one of their most devastating life events. II. Purpose Entire families and communities are impacted by wildfire devastation. The Fund is designed to support our most vulnerable neighbors whose lives and livelihood are affected by the current wildfires in Southern California, specifically Malibu. We focus on families/ individuals with demonstrated, immediate emergency needs. III. Allocation The total amount of funds allocated to each individual/household will be determined based off of whichever tier of need they fall into. There will be three tiers (Tier I, Tier II, Tier III), that an individual/household can fall into if approved for emergency relief. Based on the application process that identifies various risk factors the individual/ household faces, the applicant/household will be evaluated and placed in a tier if approved for funding. The tiers progress from supporting the immediate needs of the most vulnerable populations (Tier I), to supporting the immediate needs of those impacted by the Woolsey Wildfire disaster that demonstrate a financial need (Tier II and III). IV. Use of Funds Assistance from the Fund is intended to assist with immediate needs of daily living for those affected/ impacted by the Woolsey Wildfire disaster that can show financial need. Funds are intended to be used for immediate emergency relief, including interim housing, food, water, clothing, transportation, medical supplies or school materials, or other approved immediate needs. Additional criteria for recipients include providing the following information or documentation, to be collected and vetted by the Boys & Girls Club of Malibu:

- Proof of residency or employment in Malibu and the address of loss or damage
- Description of loss or damage
- Description of recipients benefitting from the funds Funds are expected to be expended within 30 days of receipt, unless granted an extension from the Boys & Girls Club of Malibu.

Recipients are expected to provide receipts or documentation for expenses that are projected to exceed \$1,000. Currently funds are not eligible for rebuilding efforts. V. Eligibility To be eligible for emergency relief aid, the individual/ household must demonstrate a financial need for immediate emergency relief funds, which will be verified through the application process. Documentation that can help support demonstrated need includes (but is not limited to): bank statements, proof of no insurance,

*The Emergency Relief Fund Oversight Committee: Lizzy Moore, Foundation President & Dean, Institutional Advancement, Santa Monica College Foundation Craig Foster, Santa Monica Malibu Unified School District Board Member Laura Rosenthal, Councilmember City of Malibu Lou Lamonte, Councilmember City of Malibu Karen Farrer, Councilmember Elect, City of Malibu Trevor and Evelin Neilson, The Malibu Foundation Kasey Earnest, Executive Director, Boys & Girls Club of Malibu

** For purposes of this Fund, "low-income" is defined by the Real Cost Measure, developed by United Way of California. The Real Cost Measure factors in local costs of housing, food, transportation, child care, health care and taxes.

Page 2 proof of loss of employment, proof of residence or association to unincorporated and Malibu City limits being defined by the geographic boundaries of the Santa Monica Malibu Unified School District. VI. Application Boys & Girls Club of Malibu, along with partners, will use social media, traditional media, website, and direct/inperson outreach to widely communicate fund availability. Potential applicants will be directed to complete either (a) a paper application, (b) an online application located on the Boys & Girls Club of Malibu's website, or (c) a fillable form that will be provided via email. The Boys & Girls Club of Malibu will also have a dedicated page on their website for the public to access with updated information about the Fund. VII. Awards & Payment The amount of funds available for each individual/ household will be determined in accordance with the allocation schedule in section III of this document that discusses the three different Tiers of need. The Boys & Girls Club of Malibu will base funding determinations on:

- Amount of funds available
- Need of individuals and/or household proposed to be served
- Alignment of requested support with "Use of Funds" described in section IV of this document
- Financial health of applicant/ household

Once needs have been identified and fiscal allocation is determined based on need and budget available, the

individual/household in need will receive a live check at designated disbursement sites, which are to be determined. Authorized personnel from the Fund will verify that funds are being distributed to correct person/household and collect appropriate receipts or documentation of expenses when needed. VIII. Reporting The Boys & Girls Club of Malibu is committed to administering the Fund with accountability and transparency. In this respect, the Boys & Girls Club of Malibu established an oversight committee*, comprised of local community members, to provide leadership and guidance in establishing the Fund and determining the most appropriate ways to manage and disburse funds. In accordance with the oversight committee, the Boys & Girls Club of Malibu will keep detailed records of case management efforts that occurred with all recipients of funds, how funds were allocated and spent, and in specific circumstances proof of receipt of funds on part of grantee. The Boys & Girls Club of Malibu will also keep record of the following data and information:

- Number of low-income families assisted**
- Type of assistance provided
- Description of how economic status is determined for families and individuals assisted
- External partners and Fund donors will receive updates on a quarterly basis and will receive additional information upon request.

Margo Neal reported that the Rotary District officials decided to give the Rotary District Grant directly to B&GM Malibu Emergency Relief Fund to distribute to the needy recipients rather than give the grant to the Malibu Rotary to distribute to the recipients. Margo had been in contact with Kasey at the Boys and Girls Club. The people of Malibu and the recipients will associate with Malibu Rotary Club with this contribution—the opportunities for the Malibu Rotary Club to share in the publicity of this major community giving event are obvious.

ART of Giving to the Philippines

Joy Arcenas spoke about the project she started to help the children in her native country—the Philippines. She donates back packs and school supplies to 2000 students in poor villages. Joy donates \$10,000 per year to the project. Last year on an individual basis members of the Malibu Rotary Club donated to her giving the students an additional requested item—flip-flops for the feet. Joy asked our club members if they are interested in contributing to another item that has been requested—umbrellas.

February 12 Joy had written the following e-mail to all the members of the Malibu Rotary Club:

Good morning Rotarians

As I prepare for my Humanitarian

trip to the Philippines in May. I would like to ask our club members if they are interested in supporting an umbrella for the parents of a 1st grader.

The cost is \$2 each including the print.

This year we will distribute 2,000 backpacks sponsored by the Masbate Association of America

2,000 set of school supplies sponsored by Ligaya Legacy Homes

Hope Foundation will donate t-shirts for the kids.

Thank you for your time and appreciate your kind attention.

Best service above self.

There was some question from Teresa whether to Malibu Rotary contributions could be as a club donation, or even a grant. **David Baird** made a commitment toward the project by e-mail. Joy has already had prototypes of the umbrellas made and pictures of them are shown below.

Rotary Project in Peru

On July 25 Malibu Rotary Club President Bianca Torrence spoke in detail about the Rotary District 5280 Humanitarian Trip to Lima Peru April 3-8. Via e-mail prior to the August 8 meeting Bianca made a formal proposal to the Malibu Rotary Club Board of Directors: Her proposal was that the Malibu Rotary Club commit to be the Lead club for the grant #10 on the Peruvian Rotary Humanitarian District trip **BARRANCA-Smile Project**.

It takes \$5k to be the lead club on the Global Grant project. Bianca pointed out the Malibu Rotary Club already had committed \$2k for the project and she will work on getting the rest so the Malibu Rotary Club will be recognized as lead club in this project.

Malibu Rotary Board approved the funding of the Peruvian **SMILE BARRANCA** project at the August 8 meeting. The **SMILE BARRANCA** was the project that was in most need of funding of the eleven humanitarian projects of the Rotary District 5280 Humanitarian trip in Peru. We are sure Bianca will bring a big smile to the people of Barranca.

Bianca spoke at the Pacific Palisades Rotary Club September 20 and was persuasive enough to have the Palisades Club join the Malibu Rotary Club in sponsoring the Peruvian **SMILE BARRANCA** project.

That project specifically is hosted by Rotary Club of Barranca, District 4465 Serving the marginal urban and rural sectors, and in educational institutions where there are deficiencies in oral health care in Supe Pueblo, Puerto Supe, Pativilca, Paramonga and Barranca. Needs Assessment Oral Health in Peru is a public health problem, so a comprehensive approach is necessary, applying effective measures to promote oral health and prevent the consequences of poor oral health. Poor population, as well as non-poor, presents needs for the treatment of oral diseases. One of the human groups sensitive to such public health problems are minors, including children between the ages of 3 and 6, where the habits of hygiene and oral care are generated and reinforced, which will be sustained during their future development. This need was assessed by visiting the schools and population evaluation by dentists in Barranca. Project Description • Preventive care and education to children who belong to the Non-school Initial Education Program. • Oral health care for beneficiaries of urban and rural sectors. • School and population training in Barranca Area of Focus: Disease Prevention and Treatment Goals The objective of this project is the promotion of oral health and oral hygiene in marginal urban and rural sectors without health coverage and children from Not Standardized Initial Education Programs.

Bianca said her family has had a charity project in Peru for years she has decided to have her family charity project to contribute an additional \$1000 to that project in behalf of the Malibu Rotary Club, doubling the Malibu Rotary Club contribution from \$1000 to \$2000.
