

The Malibu Rotary Club Surfwriter Express June 9 2019

The next regular Malibu Rotary Club meeting will be 8:00 a.m. Wednesday, June 12, 2019 in room LC 152 on the Pepperdine Drescher Upper Graduate campus. I will be the speaker. I will be talking about the Malibu Rotary Club ClubRunner website which can be found at maliburotary.org. If the meeting is in this room it will be the first time the Malibu Rotary Club will be able to use the new Audio-Visual equipment recently installed in the room and I welcome this opportunity. I will try to be there early for a tech test. With luck it will work!

I have been working with the ClubRunner website since 2005 and although some people in Rotary are favoring other web providers I like the tools available from ClubRunner, and especially like the security it incorporates in its e-mail capabilities.

At the June 12 2019 meeting of the Malibu Rotary Club I will be demonstrating how everyone, including non-members, can find information on the club's website, but more importantly I will demonstrate how club members who log into the site have the ability to use the site for secure communication, post and retrieve information that can be seen by members only.

It is an appropriate beginning to the new Rotary year that starts July 1 2019, when the theme of new Rotary International President Mark Daniel Maloney is how "Rotary Connects the World"

ClubRunner helps that connection with its special communication capabilities.

When the new Rotary year starts on July 1, the Malibu Rotary Club will be changing its meeting time from 8:00 a.m. to noon. After next week on June 19 we will be having our demotion party 6:00 p.m. at Tra di Noi Restaurant (RSVP to President-Elect Carlye Rudkin-space is limited) So the last 2 meetings Malibu Rotary Club will be having at 8:00 a.m are ones June 12 and June 26, and after the Independence Day holiday our 1st meeting of the the new Rotary year will be July 10 at noon in Room LC 152 at the Pepperdine graduate campus. All of this news is on the Malibu Rotary Club website maliburotary.org.
