## Pepperdine International Rotaract Club meets with Malibu Rotary

2019 Pepperdine Rotaract Club President Reem Al Zubair from Oman and Pepperdine Rotaract board members Sherry Yang from China and Jessie Bolton who is from Texas (L to R) attended the Malibu Rotary Club meeting February 13 2019 to share their activities with the Malibu Rotary Club members. Speaker at the meeting was MJ. Ni. ilknur Tekin, Ph.D, who in 1990's was president of Karakoy Rotaract Club in Istanbul, Turkey. MJ is holding a diagram of Kundalini yoga meditation techniques, which she shared with the group during her talk. To the right is Teresa LeGrove Cherkas, the Malibu Rotary Club Youth Director and Malibu Rotary Club President-Elect. Both the Pepperdine Rotaract

**Club and the Malibu Rotary Club, as well as Rotary International, thrive in drawing on ideas from people from all over the world.**

. Speaker at the February 20 meeting of the Malibu Rotary Club was MJ. Ni. ilknur Tekin, Ph.D, who in 1990's was president of Karakoy Rotaract Club in Istanbul, Turkey District 2420 in Istanbul, Turkey, and was District Youth Chair there.

MJ is an Assistant Professor of Technology Management, Business and Sustainability. She is part of UC Berkeley Smart Village Movement and worked for Bocconi University in Milan, and Portland State University. She has studied and worked at various renowned research institutes in the US and in Europe. She is the nominee for K. Patricia Cross Future Leaders of Education, and received several prestigious awards and scholarships. She has been part of Rotary since 1996, starting as a Rotaractor, serving as the president of Karakoy Rotaract Club, District Rotaract Representative and became a member of the Rotary Club of Eminonu, all part of Rotary District 2420, in Istanbul, Turkey.

She was delayed getting to the Malibu Rotary Club on this rainy morning because she was involved in an automobile accident en route to the meeting. Fortunately with a few moments of meditation she was able to shrug off early morning calamities and continue on.

The diagram she brought with her is one that illustrates the principles of Kundalini yoga meditation. In this technology there is a set of simple techniques that use what you have (your mind, senses, and body) to create a communication between you and your mind, and between your mind and your body. MJ said that the left hand represents emotion and the right hand emotion. There are 7 core values represented in the diagram.

Meditation is a time to be with yourself. Meditation is a time to connect with your breath, a time to be present to the life force in your body, a time to re-establish your own rhythm, a time to talk to your higher self, a time to be in love with your unique life. MJ led everyone present in a meditation session. It takes people many years to master yoga meditation techniques, but once achieved it can benefit the physical and spiritual self.

MJ said she became very aware of the importance of Rotary when she was Rotaract president Karakoy Rotaract Club in Istanbul, Turkey following the 1999 Izmit Earthquake in northwestern Turkey, which killed around 17,000 people and left approximately half a million people homeless. There was obviously a lot of need for volunteer services locally and internationally. MJ got her first chance to see the service of Rotary in trying to help people during this disaster.

## **Rotary District Foundation Grant to Malibu fire victims**

In a televideo meeting January 21 initiated by Rotary District Governor Joe Vasquez and Malibu Rotary Club President Bianca Torrence and attended by district and club leaders the Rotary District agreed to allocate \$15,000 from the Rotary District Foundation to Malibu fire victims.

The Malibu Rotary Club was charged with quickly deciding how the money would be distributed to victims of the November Woolsey fire which affected so many homes and people in Malibu. The Malibu Rotary Club is not equipped to sift through the needs of all the individuals who need help during this natural disaster and they have decided to turn to the Malibu group which was created to do just that—the Boys & Girls Club of Malibu Emergency Relief Fund. It is the same organization that helped the Malibu Rotary distribute the \$11,500 total donation raised by the Venice Playa Vista Rotary Club. Using the extensive application process and review that had been devised by the committee of the Boys & Girls Club of Malibu Emergency Relief Fund that had been submitted by fire victims the Malibu Rotary Club was able to distribute 23 \$500 gift cards to Malibu students who had sustained losses in the recent Woolsey Fire which destroyed over 670 structures in Malibu. District Governor Vasquez emphasized the need that recipients and the process be well documented, and the Boys & Girls Club of Malibu Emergency Relief Fund does just that. Margo Neal sent the documents used by the B&GM Malibu Emergency Relief Fund to DG Vasquez in an e-mail after the conference call meeting. Details about the structure of B&GM Malibu Emergency Relief Fund are printed below.

On November 11, 2018, The Boys & Girls Club of Malibu established the Malibu Emergency Relief Fund (Fund), in response to the Woolsey Wildfire that was declared a city, state and federal disaster. This fund is in partnership

with The Malibu Foundation sponsored by GVNG.org, and has support from Senator Henry Stern as well as the City of Malibu. Boys & Girls Club. Malibu has also consulted with and implemented best practices established by disaster relief experts, Waves for Water.

The Fund will be administered by the Boys & Girls Club of Malibu, which will allocate and distribute funds to support impacted individuals/ households. Currently, we are raising funds to support people living in and working in unincorporated and Malibu City limits being defined by the geographic boundaries of the Santa Monica Malibu Unified School District. This new fund allows Boys & Girls Club of Malibu to serve vulnerable members of our community through one of their most devastating life events. II. Purpose Entire families and communities are impacted by wildfire devastation. The Fund is designed to support our most vulnerable neighbors whose lives and livelihood are affected by the current wildfires in Southern California, specifically Malibu. We focus on families/ individuals with demonstrated, immediate emergency needs. III. Allocation The total amount of funds allocated to each individual/household will be determined based off of whichever tier of need they fall into. There will be three tiers (Tier I, Tier II, Tier III), that an individual/household can fall into if approved for emergency relief. Based on the application process that identifies various risk factors the individual/ household faces, the applicant/household will be evaluated and placed in a tier if approved for funding. The tiers progress from supporting the immediate needs of the most vulnerable populations (Tier I), to supporting the immediate needs of those impacted by the Woolsey Wildfire disaster that demonstrate a financial need (Tier II and III). IV. Use of Funds Assistance from the Fund is intended to assist with immediate needs of daily living for those affected/ impacted by the Woolsey Wildfire disaster that can show financial need. Funds are intended to be used for immediate emergency relief, including interim housing, food, water, clothing, transportation, medical supplies or school materials, or other approved immediate needs. Additional criteria for recipients include providing the following information or documentation, to be collected and vetted by the Boys & Girls Club of Malibu:

- Proof of residency or employment in Malibu and the address of loss or damage
- Description of loss or damage
- Description of recipients benefitting from the funds Funds are expected to be expended within 30 days of receipt, unless granted an extension from the Boys & Girls Club of Malibu.

Recipients are expected to provide receipts or documentation for expenses that are projected to exceed \$1,000. Currently funds are not eligible for rebuilding efforts. V. Eligibility To be eligible for emergency relief aid, the individual/ household must demonstrate a financial need for immediate emergency relief funds, which will be verified through the application process. Documentation that can help support demonstrated need includes (but is not limited to): bank statements, proof of no insurance,

\*\* For purposes of this Fund, "low-income" is defined by the Real Cost Measure, developed by United Way of California. The Real Cost Measure factors in local costs of housing, food, transportation, child care, health care and taxes.

Page 2 proof of loss of employment, proof of residence or association to unincorporated and Malibu City limits being defined by the geographic boundaries of the Santa Monica Malibu Unified School District. VI. Application Boys & Girls Club of Malibu, along with partners, will use social media, traditional media, website, and direct/inperson outreach to widely communicate fund availability. Potential applicants will be directed to complete either (a) a paper application, (b) an online application located on the Boys & Girls Club of Malibu's website, or (c) a fillable form that will be provided via email. The Boys & Girls Club of Malibu will also have a dedicated page on their website for the public to access with updated information about the Fund. VII. Awards & Payment The amount of funds available for each individual/ household will be determined in accordance with the allocation schedule in section III of this document that discusses the three different Tiers of need. The Boys & Girls Club of Malibu will base funding determinations on:

- Amount of funds available
- Need of individuals and/or household proposed to be served
- Alignment of requested support with "Use of Funds" described in section IV of this document
- Financial health of applicant/ household

Once needs have been identified and fiscal allocation is determined based on need and budget available, the individual/household in need will receive a live check at designated disbursement sites, which are to be

determined. Authorized personnel from the Fund will verify that funds are being distributed to correct person/household and collect appropriate receipts or documentation of expenses when needed. VIII. Reporting The Boys & Girls Club of Malibu is committed to administering the Fund with accountability and transparency. In this respect, the Boys & Girls Club of Malibu established an oversight committee\*, comprised of local community members, to provide leadership and guidance in establishing the Fund and determining the most appropriate ways to manage and disburse funds. In accordance with the oversight committee, the Boys & Girls Club of Malibu will keep detailed records of case management efforts that occurred with all recipients of funds, how funds were allocated and spent, and in specific circumstances proof of receipt of funds on part of grantee. The Boys & Girls Club of Malibu will also keep record of the following data and information:

- Number of low-income families assisted\*\*
- Type of assistance provided
- Description of how economic status is determined for families and individuals assisted
- External partners and Fund donors will receive updates on a quarterly basis and will receive additional information upon request.

Margo Neal reported that the Rotary District officials decided to give the Rotary District Grant directly to B&GM Malibu Emergency Relief Fund to distribute to the needy recipients rather than give the grant to the Malibu Rotary to distribute to the recipients. Margo had been in contact with Kasey at the Boys and Girls Club. The people of Malibu and the recipients will associate with Malibu Rotary Club with this contribution—the opportunities for the Malibu Rotary Club to share in the publicity of this major community giving event are obvious.

## ART of Giving to the Philippines

**Joy Arcenas** spoke about the project she started to help the children in her native country—the Philippines. She donates back packs and school supplies to 2000 students in poor villages. Joy donates \$10,000 per year to the project. Last year on an individual basis members of the Malibu Rotary Club donated to her giving the students an additional requested item—flip-flops for the feet. Joy asked our club members if they are interested in contributing to another item that has been requested—umbrellas.

February 12 Joy had written the following e-mail to all the members of the Malibu Rotary Club:

Good morning Rotarians

As I prepare for my Humanitarian

trip to the Philippines in May. I would like to ask our club members if they are interested in supporting an umbrella for the parents of a 1st grader.

The cost is \$2 each including the print.

This year we will distribute 2,000 backpacks sponsored by Masbate Association of America

2,000 set of school supplies sponsored by Ligaya Legacy Homes

Hope Foundation will donate t-shirts for the kids.

Thank you for your time and appreciate your kind attention.

Best service above self.

---

There was some question from Teresa whether to Malibu Rotary contributions could be as a club donation, or even a grant. **David Baird** made a commitment toward the project by e-mail. Joy has already had prototypes of the umbrellas made and pictures of them are shown below.

## **Other News from the Last Rotary meeting**

**Pepperdine Rotaract Club President Reem Al Zubair and Pepperdine Rotaract board members Sherry Yang from China and Jessie Bolton** each spoke about the Pepperdine Rotaract club which just had its first meeting of the year, hopes to be involved with Malibu Rotary Club and Rotary District projects and is planning on having regular meetings call Global Tea Time with special guest speakers. The next one is February 20<sup>th</sup> at 6:30 p.m. at HAWC on the main Pepperdine campus. Everyone is invited.

**Teresa LeGrove** was energized by her experience and the great speakers who head at PETS the past week end. She was able to meet and converse with other district President Elects and hopes that we can join other local clubs to do joint projects

Malibu Rotary Club President of the month **John Elman** announced there will be Malibu Rotary Club Board meeting at 9:05 a.m. on February 27 following the regular Malibu Rotary Club meeting

### **Guests**

Returning guest **M. J. Ilknur Tekin Ph.D** was at the meeting and was be our featured speaker. Two other returning guests at the February 13 meeting were PDG **Tom Bos**, from the Holland Michigan Rotary club and **Mehrdad Sahafi** who we plan to induct as a member at our next meeting. In addition we had 3 guests from the Pepperdine Rotaract Club **Reem Al Zubair, Sherry Yang and Jessie Bolton**.

## Rotary Project in Peru

On July 25 Malibu Rotary Club President Bianca Torrence spoke in detail about the Rotary District 5280 Humanitarian Trip to Lima Peru April 3-8. Via e-mail prior to the August 8 meeting Bianca made a formal proposal to the Malibu Rotary Club Board of Directors: Her proposal was that the Malibu Rotary Club commit to be the Lead club for the grant #10 on the Peruvian Rotary Humanitarian District trip **BARRANCA-Smile Project**.

It takes \$5k to be the lead club on the Global Grant project. Bianca pointed out the Malibu Rotary Club already had committed \$2k for the project and she will work on getting the rest so the Malibu Rotary Club will be recognized as lead club in this project.

Malibu Rotary Board approved the funding of the Peruvian **SMILE BARRANCA** project at the August 8 meeting. The **SMILE BARRANCA** was the project that was in most need of funding of the eleven humanitarian projects of the Rotary District 5280 Humanitarian trip in Peru. We are sure Bianca will bring a big smile to the people of Barranca.

Bianca spoke at the Pacific Palisades Rotary Club September 20 and was persuasive enough to have the Palisades Club join the Malibu Rotary Club in sponsoring the Peruvian **SMILE BARRANCA** project.

That project specifically is hosted by Rotary Club of Barranca, District 4465 Serving the marginal urban and rural sectors, and in educational institutions where there are deficiencies in oral health care in Supe Pueblo, Puerto Supe, Pativilca, Paramonga and Barranca. Needs Assessment Oral Health in Peru is a public health problem, so a comprehensive approach is necessary, applying effective measures to promote oral health and prevent the consequences of poor oral health. Poor population, as well as non-poor, presents needs for the treatment of oral diseases. One of the human groups sensitive to such public health problems are minors, including children between the ages of 3 and 6, where the habits of hygiene and oral care are generated and reinforced, which will be sustained during their future development. This need was assessed by visiting the schools and population evaluation by dentists in Barranca. Project Description • Preventive care and education to children who belong to the Non-school Initial Education Program. • Oral health care for beneficiaries of urban and rural sectors. • School and population training in Barranca Area of Focus: Disease Prevention and Treatment Goals The objective of this project is the promotion of oral health and oral hygiene in marginal urban and rural sectors without health coverage and children from Not Standardized Initial Education Programs.

Bianca said her family has had a charity project in Peru for years she has decided to have her family charity project to contribute an additional \$1000 to that project in behalf of the Malibu Rotary Club, doubling the Malibu Rotary Club contribution from \$1000 to \$2000.
