Bianca Torrence and **Bill Wishard** represented the Malibu Rotary Club at the Walk 4 Life in South Central Los Angeles on July 16. They spoke enthusiastically about their experience at the July 27th Malibu Rotary Club meeting at Pepperdine. The walk started in an area Ralphs parking lot on Vermont, went through Athens Park on Vermont and ended at Magic Johnson Park on El Segundo. In contrast to the violence and terrorism that has been the headline news of past couple weeks this was a peace m arch bringing people together Rotary Participation in the

event was headed by Rotary District 5280 Past District Governor Dr. Vickie Radel. In the middle picture Robert Ryan, Past President of Crenshaw Rotary Club, (in blue shirt holding Rotary banner) is seen along with Bianca and Bill. Ryan will be a future Malibu speaker. He will be talking about Human Trafficking. There were 200-300, at this event, which was covered by KTLA. The police escort assisted people. Also at event was Congresswoman (D) Karen Bass who represents the 37th Congressional District. Bill said that there was an array of various community groups participating in this event, and the people were of all age groups and races, although primarily African American. He said there was a great spirit of bringing people together, with hugs and a wonderful contrast with day's news from Baton Rouge, and events the previous week in Dallas.

Special Conference Call Meeting of Malibu Rotary Club August 10 to Discuss Replacement of Club President

Malibu Rotary Club President Delvin Glymph announced Sunday that he has accepted a job which will preclude him from presiding at or even attending Malibu Rotary Club meetings. At last week's meeting we decided not to meet this week at Pepperdine because of Malibu Rotarians' participation in the weekend Malibu Arts Festival. Many members said they would not be able to be at an August 3 meeting anyway.

Meanwhile Delvin's announcement has created a state of emergency in the club. We need a club president to finish the remaining 11 months of this Rotary year. This is not the first time this has happened (I.e. losing a President mid year). The Rotary district requires at least one person who has been to PETS to act as president to communicate with District. In the past we had one person be the acting president and had our past presidents each take a month at the podium to preside over meetings. It was actually kind of fun.

David Zielski can set up a Conference call at our normal meeting time at noon on August 3. Even people who are out of town but have access to the internet can participate in the discussion.
