June 28th Demotion Dinner at Tra di Noi Restaurant followed by Malibu Jazz Ensemble Concert and Malibu Civic Theater

The Rotary year officially ends on June 30 and new one begins on July 1 each year. The Malibu Rotary Club held an unconventional Demotion Party on June 28. Typically one person is the club president and the demotion party is a dinner where that person is roasted by members, and ultimately given departing gifts from the club, including a diamond studded Past President's Rotary Pin. This year the person who was President Elect the previous year, the person who had gone to PETS and was to assume the role of Club President on July 1, left and was never to be seen again. A special meeting was held and 6 past presidents of the club, all of whom had previous to their terms had attended PETS (President-Elect Training Seminar) agreed to each assume two months presiding over the club and one past president, Bill Wishard, agreed to be "President of Record" with the district, since the district has no provision to deal with "Presidents of the Month."

For this year the demotion party dinner had no roast, no parting gifts for a retiring president. In fact the only one giving gifts was the incoming President **Bianca Torrence**, who brought gifts from the Rotary International Convention which she had recently returned from to give to members. Bianca has shown she takes the responsibility of being Malibu Rotary Club President seriously and veteran members welcome her leadership role. All 6 presidents of the month were at the dinner, although John Elman had to leave early to attend the rehearsal for the post dinner entertainment and David Zielski, who presided over end of meeting, arrived late.
