James Shanahan and Melissa with Rob Abbey. James bought the Normal Rockwell 100th anniversary of baseball painting as well as the Clipper tickets and last year bought the Indy 500 tickets and didn't go. He has been a big supporter of Rotary because of the large

ticket purchases---thank you James!

Marianne Bema won first place at the Halloween Fundraiser for her African costume, and

is being presented with the prize by event emcee Ted Silverberg.

It appeared the 2018 edition of the Malibu Rotary Club Halloween Fund Raising event was another success. At last count 109 tickets were sold and a good time was had by all.

This editor created a photo album *2018 Malibu Rotary Club Halloween Fund Raiser* on the Rotary Club of Malibu facebook page, which contains more pictures of the event, and party attendees are invited to upload their own images on that album. Go to the Malibu Rotary club facebook page at

ABOUT OUR KEYNOTE SPEAKER, JAKE OLSON:

Jake Olson is 21 years old, a resident of Huntington Beach, California. When Jake was 8 months old, he was diagnosed with a rare form of eye cancer, retinoblastoma. The disease claimed his left eye before the tender age of one and in November 2009 Jake lost his right eye after battling the cancer for 12 years. Jake confronted many challenges during his battle and has used his experience to better himself as a person and develop a strong faith in God. Jake wrote a book when he was 8 years old to uplift and encourage other children who were battling cancer and other diseases. Jake has shared his book and faith with countless others, including both adults and children that have been touched by his story. Jake has also just published his second book, "Open Your Eyes", which was released January 2014. He has a wholesomeness to his heart and spirit for life beyond his years.

This year's Rotary Foundation Celebration is taking place Saturday, November 3, 2018 from 5:30-10:00pm at L.A.'s iconic Union Station.

Rotary Project in Peru

On July 25 Malibu Rotary Club President Bianca Torrence spoke in detail about the Rotary District 5280 Humanitarian Trip to Lima Peru April 3-8. Via e-mail prior to the August 8 meeting Bianca made a formal proposal to the Malibu Rotary Club Board of Directors: Her proposal was that the Malibu Rotary Club commit to be the Lead club for the grant #10 on the Peruvian Rotary Humanitarian District trip **BARRANCA-Smile Project**.

It takes \$5k to be the lead club on the Global Grant project. Bianca pointed out the Malibu Rotary Club already had committed \$2k for the project and she will work on getting the rest so the Malibu Rotary Club will be recognized as lead club in this project.

Malibu Rotary Board approved the funding of the Peruvian **SMILE BARRANCA** project at the August 8 meeting. The **SMILE BARRANCA** was the project that was in most need of funding of the eleven humanitarian projects of the Rotary District 5280 Humanitarian trip in Peru. We are sure Bianca will bring a big smile to the people of Barranca.

Bianca spoke at the Pacific Palisades Rotary Club September 20 and was persuasive enough to have the Palisades Club join the Malibu Rotary Club in sponsoring the Peruvian **SMILE BARRANCA** project.

That project specifically is hosted by Rotary Club of Barranca, District 4465 Serving the marginal urban and rural sectors, and in educational institutions where there are deficiencies in oral health care in Supe Pueblo, Puerto Supe, Pativilca, Paramonga and Barranca. Needs Assessment Oral Health in Peru is a public health problem, so a comprehensive approach is necessary, applying effective measures to promote oral health and prevent the consequences of poor oral health. Poor population, as well as non-poor, presents needs for the treatment of oral diseases. One of the human groups sensitive to such public health problems are minors, including children between the ages of 3 and 6, where the habits of hygiene and oral care are generated and reinforced, which will be sustained during their future development. This need was assessed by visiting the schools and population evaluation by dentists in Barranca. Project Description • Preventive care and education to children who belong to the Non-school Initial Education Program. • Oral health care for beneficiaries of urban and rural sectors. • School and population training in Barranca Area of Focus: Disease Prevention and Treatment Goals The objective of this project is the promotion of oral health and oral hygiene in marginal urban and rural sectors without health coverage and children from Not Standardized Initial Education Programs.

Bianca said her family has had a charity project in Peru for years she has decided to have her family charity project to contribute an additional \$1000 to that project in behalf of the Malibu Rotary Club, doubling the Malibu Rotary Club contribution from \$1000 to \$2000.

The Social Chameleon - A 3D Animated Short Film

The Social Chameleon is an animated short about a chameleon who is good at fitting in with all the other animals, but doesn't know how to be himself. The story follows Cosmo the Chameleon day-by-day as he successfully postures and fits in with each animal group, but ultimately returns home alone and empty. He doesn't know how to change his colors - or even that he can - until one day his fate is turned by another chameleon. Alex Ross will show this animated film at the Malibu Rotary Club meeting on November 7. You can see more at the following websites:

November 14, 2018 Scott Houston West Basin Municipal Water District **The Malibu SMART Program for Water Conservation**

West Basin Municipal Water District Board Member Scott Houston. will talk about the Malibu SMART program for water conservation at the Malibu Rotary Club meeting November 14.

With increasing temperatures, persistent drought conditions and a prolonged fire season, it continues to be important to save water. To address these important environmental issues, the City of Malibu, Los Angeles County Waterworks, and West Basin Municipal Water District are launching a comprehensive water conservation program. The Malibu Smart and Topanga Smart water savings programs will help both residential customers and businesses reduce water use.

The program aims to save 28 million gallons of water annually in Malibu and Topanga Canyon through the installation of water-saving measures. This will be achieved through a guided water-efficiency concierge program that helps customers get rebates for installing the latest watering technologies.
