Jose Manaiza Jr, talks about elements of a prize winning speech, and talks about his speech “How I Achieved the American Dream”

The YouTube video on Jose Angel Manaiza Jr’s October 31 speech at the Malibu Rotary Club meeting can be seen using the following link:

<https://www.youtube.com/watch?v=b8yHJ3wqYMo&feature=youtu.be>

Malibu Rotarians and guests packed into the board room at Pepperdine's Villa Graziadio to see Jose speak. Some had left before the picture was taken. Pictured L to R W. David Baird, Allan Mannheim, Mark Koller, Nagy Henein, Ace Miller (Navy Vet and Pepperdine grad who is chair of the November 11 Malibu Veterans Day Celebration at City Hall), Michele Swain (who came specifically to hear Jose), John Elman, Marianne Bema, Bill Wishard, Jose Manaiza, Bianca Torrence and Margo Neal, who presided over meeting. Not shown was another guest at the meeting Khalil, the Psi U fraternity brother of Bill Wishard who has helped the Malibu Rotary Club at the Halloween Party and other occasions.

The October 31 2018 meeting of the Malibu Rotary Club featured Jose Angel Manaiza's talk on how to create a winning speech, and as an example he used the 68-Second Intro to tell us his story on he got to where he is.

During his childhood in Honduras he always dreamt that one day he would be in the USA. It was a book on the history of the White House that inspired him on how Mathematician Benjamin Banneker designed Washington, DC. Jose says that he was honored in the White House in 2006 as one of the greatest mathematicians from UCLA.

Jose says there are five steps in developing a winning speech by telling people:

1. **Who you are**
2. **What you do**—your primary occupation—Jose explains he is a Mathematician known at "The Tutor for the Stars" for children of Hollywood's celebrities from Malibu to Beverly Hills and business professionals and is committed to read a book a day
3. **Your Ideal client**—(What is your #1 customer profile? Eg. Sp[ecify

age range, social economic status, gender, personality type, etc)—Jose says is passion is helping mothers who want the best education for their children whether their kids are K-12 from Malibu HS, Pepperdine students, or women professionals in our Malibu community

4. **How they can get your help**—(Top three products and services with price range from lowest to the highest) In Jose's case he offers 1. Homework assistance 2. Test Prep from SAT/ACT to GMAT 3. Speed reading courses which range from \$40/hr for group less to \$260/hr for 1-on-1
5. **A Call to Action** – Tell us the specific date, time, location, or the specific offer that you offer us to bring referrals your way—State your name and your company's name or service at the end. In Jose's case he states that for every \$100 that you invest in your education with his company you help sponsor 5 kids to receive 8-week Toastmaster Youth Leadership Program along with a Speed Reading Program at Boys & Girl Club of Malibu. He tells us to visit him every Wednesday 12 pm in the Sunset Restaurant for his Malibu Toastmaster Meetings and tell us to go schedule private session at <http://www.tinyurl.com/TheBestSpeekReadingSession>.

Jose had printed hand outs for his 68-Second 5 point Intro and an outline on How to Create a Winning Speech. His last step is Making a Living with your Winning Speech.

He recommends three steps in perfecting your speech:

Step A: Practice your whole speech standing up, but with your eyes close. Move around as if on stage.

Step B: Practice your whole speech with eyes open, but sitting down.

Step C: Finally, practice your speech normally and notice the changes.

Step A helps you speak with more finesse and power.

Step B helps you connect with the audience, as if you were talking to just one person.³

Step A + Step B = More Presence

Other Tips and Tools:

1. Practice your winning speech in a local Toastmasters Club such as Malibu

Toatmasters.

2. Use the Books my World Champion of Public Speaking Don Johnson
3. Apply everything in the workbook entitled “The Process of Become Professional Speaker” by Norma T. Hollis.

CALAMIGOS BEACH CLUB - (FORMERLY BEAURIVAGE)

26025 PACIFIC COAST HWY ~ MALIBU

CAN'T ATTEND? MAIL DONATIONS TO PO BOX 716, MALIBU 90265

FOR MORE INFORMATION CONTACT: JOY 714-875-4127 TICKETS: WWW.MALIBURROTARY.ORG

The 2018 edition of the Malibu Rotary Club Halloween Fund Raising event was another success. 99 tickets were sold online at the EventBrite site and another 100 tickets were sold by walking for a total of 199 tickets sold. Exact amount of money has not been determined. Not all the silent auction items were sold and not all the money has been collected from those items that were bid on. The net and gross profit of the event will be announced in the future, but it seems a good time was had by all.

This editor created a photo album *2018 Malibu Rotary Club Halloween Fund Raiser* on the Rotary Club of Malibu facebook page, which contains more pictures of the event, and party attendees are invited to upload their own images on that album. Go to the Malibu Rotary club facebook page at

<https://www.facebook.com/Rotary-Club-of-Malibu-188099427908203/>
and click on Photos to find the album.

We owe Margo Neal a debt of gratitude for her work pulling this together. We will hear more about the event at our next the next Malibu Rotary Club meeting on October 31.

Rotary District Events

Two Rotarians (Bill and Mark) attended the **Rotary District Breakfast** on October 30, and marveled at the inspiring speaker Jake Olsen. Ja

ABOUT OUR KEYNOTE SPEAKER, JAKE OLSON:

Jake Olson is 21 years old, a resident of Huntington Beach, California. When Jake was 8 months old, he was diagnosed with a rare form of eye cancer, retinoblastoma. The disease claimed his left eye before the tender age of one and in November 2009 Jake lost his right eye after battling the cancer for 12 years. Jake confronted many challenges during his battle and has used his experience to better himself as a person and develop a strong faith in God. Jake wrote a book when he was 8 years old to uplift and encourage other children who were battling cancer and other diseases. Jake has shared his book and faith with countless others, including both adults and children that have been touched by his story. Jake has also just published his second book, "Open Your Eyes", which was released January 2014. He has a wholesomeness to his heart and spirit for life beyond his years.

Jake was allowed to be the snapper for a USC football team.

This year's Rotary Foundation Celebration is taking place Saturday, November 3, 2018 from 5:30-10:00pm at L.A.'s iconic Union Station. Two Malibu Rotarians, Bill and Joy, are planning to be there.

Team David Torrence at the Malibu Half Marathon Sunday Nov 4

Rotary Project in Peru

On July 25 Malibu Rotary Club President Bianca Torrence spoke in detail about the Rotary District 5280 Humanitarian Trip to Lima Peru April 3-8. Via e-mail prior to the August 8 meeting Bianca made a formal proposal to the Malibu Rotary Club Board of Directors: Her proposal was that the Malibu Rotary Club commit to be the Lead club for the grant #10 on the Peruvian Rotary Humanitarian District trip **BARRANCA-Smile Project**.

It takes \$5k to be the lead club on the Global Grant project. Bianca pointed out the Malibu Rotary Club already had committed \$2k for the project and she will work on getting the rest so the Malibu Rotary Club will be recognized as lead club in this project.

Malibu Rotary Board approved the funding of the Peruvian **SMILE BARRANCA** project at the August 8 meeting. The **SMILE BARRANCA** was the project that was in most need of funding of the eleven humanitarian projects of the Rotary District 5280 Humanitarian trip in Peru. We are sure Bianca will bring a big smile to the people of Barranca.

Bianca spoke at the Pacific Palisades Rotary Club September 20 and was persuasive enough to have the Palisades Club join the Malibu Rotary Club in sponsoring the Peruvian **SMILE**

BARRANCA project.

That project specifically is hosted by Rotary Club of Barranca, District 4465 Serving the marginal urban and rural sectors, and in educational institutions where there are deficiencies in oral health care in Supe Pueblo, Puerto Supe, Pativilca, Paramonga and Barranca. Needs Assessment Oral Health in Peru is a public health problem, so a comprehensive approach is necessary, applying effective measures to promote oral health and prevent the consequences of poor oral health . Poor population, as well as non-poor, presents needs for the treatment of oral diseases. One of the human groups sensitive to such public health problems are minors, including children between the ages of 3 and 6, where the habits of hygiene and oral care are generated and reinforced, which will be sustained during their future development. This need was assessed by visiting the schools and population evaluation by dentists in Barranca. Project Description • Preventive care and education to children who belong to the Non-school Initial Education Program. • Oral health care for beneficiaries of urban and rural sectors. • School and population training in Barranca Area of Focus: Disease Prevention and Treatment Goals The objective of this project is the promotion of oral health and oral hygiene in marginal urban and rural sectors without health coverage and children from Not Standardized Initial Education Programs.

Bianca said her family has had a charity project in Peru for years she has decided to have her family charity project to contribute an additional \$1000 to that project in behalf of the Malibu Rotary Club, doubling the Malibu Rotary Club contribution from \$1000 to \$2000.

November 07, 2018 Alex Ross

***The Social Chameleon* - A 3D Animated Short Film**

The Social Chameleon is an animated short about a chameleon who is good at fitting in with all the other animals, but doesn't know how to be himself. The story follows Cosmo the Chameleon day-by-day as he successfully postures and fits in with each animal group, but ultimately returns home alone and empty. He doesn't know how to change his colors - or even that he can - until one day his fate is turned by another chameleon. Alex Ross will show this animated film at the Malibu Rotary Club meeting on November 7. You can see more at the following websites:

November 14, 2018 Scott Houston West Basin Municipal Water District

The Malibu SMART Program for Water Conservation

West Basin Municipal Water District Board Member Scott Houston. will talk about the Malibu SMART program for water conservation at the Malibu Rotary Club meeting November 14.

With increasing temperatures, persistent drought conditions and a prolonged fire season, it continues to be important to save water. To address these important environmental issues, the City of Malibu, Los Angeles County Waterworks, and West Basin Municipal Water District are launching a comprehensive water conservation program. The Malibu Smart and Topanga Smart water savings programs will help both residential customers and businesses reduce water use.

The program aims to save 28 million gallons of water annually in Malibu and Topanga Canyon through the installation of water-saving measures. This will be achieved through a guided water-efficiency concierge program that helps customers get rebates for installing the latest watering technologies.

January 09, 2019 --Reese Halter Bees, Trees & Seas Saving the Earth

Reese Halter an award-winning broadcaster, distinguished conservation biologist and author of ten books. John Grace of Westlake Village Sunrise Rotary saw her presentation: Bees, Trees & Seas at The Westlaker's Club in October (2016). He invited her to speak at the Westlake Village Sunrise Rotary Club in December (2016). The president, Don Martin, awarded her an Outstanding Service Award for her community outreach work in conservation.

January 16, 2019 Peter Lattey - Global Grant WASH in Schools project

Peter Lattey is Past President of Rotary Club of Downtown Los Angeles and currently its International Service Chair and chair of the club's participation in LA 5's Global Grant WASH in Schools project in Kenya. He just returned from Kenya, where he has been working on the project.

Here is a link to a video that he made that gives an idea of what the project means to the children there.

www.youtube.com/watch?v=Ad54H49MsZU

Peter will be at the Malibu Rotary club January 16 for its morning meeting in LC 152 at the Pepperdine University Drescher Graduate campus in Malibu at 8:00 a.m. to show and tell us about this worthwhile project
