If You Missed Us On December 5

THE VISIT BY OUR DISTRICT GOVERNOR . . .

will be covered in a subsequent issue of *La Rotación*.

THIS FRIDAY OUR SPEAKER WILL BE BRAD ROBINSON, a member of the Beverly Hills Rotary Club and a past District 5280 officer. He'll present an informative and comprehensive look at the projects done through the Rotary International Foundation. This program was highly recommended by former District 5280 Governor Rick Mendoza and is intended to provide a more specific insight into the international focus of Rotary and its implications for our club.

CLUB NEWS: We are deeply saddened to report that **Mel Schrier's** wife and our dear friend, Cynthia, passed away on Saturday, December 6. We are awaiting news of a memorial service or other celebration or remembrance of Cynthia's life. When the information becomes available, we will let you know immediately. In the meantime, give Mel a call and some special companionship. Keep him and his family in your prayers.
