

Crutches4Africa Community Project

Would you like to donate used crutches to Africa?

During the month of April, **Playa Venice Rotary Club** is collecting canes, crutches and other mobility devices (wheelchairs, walkers, braces, baby joggers, walking boots etc.) to send to Africa to distribute to persons with physical challenges who would otherwise stay immobile all their lives!

Read more at crutches4africa.org/

Thank you in advance for spreading the word to your neighbors, co-workers & friends!

Bring your devices to:
Playa Pharmacy
8131 W Manchester Ave
Playa del Rey, CA 90293

For more information:
