

South Bay Sunrise Bulletin

2019-2020 President: Joanna Farmer

~ Rotary Connects the World ~

Introduction of Guests: Dist. Gov. Melody St. John, Chief of Stuff Kelly, Exchange Student Brittany, Brittany's mom Solima, Exchange Student Maria, Shelley, Ted Jones, David Schwartz, Connor (Jon)

Fines and other frivolity: Jim more than made up for last week's fining debacle. Today he was particularly well-prepared with Rotary and Club Trivia. In what year was our club chartered? (1987) Who was our sponsoring club? (Palos Verdes Peninsula Rotary Club) What woman was a charter member? (Audrey Rosen) Why were we established as a breakfast club? (we meet in the morning / as a district experiment)

Today's Program: District Governor Melody St. John regaled us with stories of Rotary changing lives and shared words of Rotary wisdom. She recognized our club as "one of the best in the District." (Ahem. ONE of the best?) Karen, David, and Rosy were called out as outstanding members of our club; Rosy was presented with DG's Never-Ending Fun Meter Award; Bob K. was recognized for bringing in most new members. Joanna and Karen presented DG Melody with an assortment of gifts and donations such as 1-week use of San Felipe, Mexico townhouse to the Foundation Celebration. I heard with my own ears that DG Melody will attend our Beer & Wine Festival. Congratulations to the newly minted Paul Harris Fellows: Bobby T, Kerry, Matthew, Irma; upgrades awarded to Warren and Margie.
