2019-2020 President: Joanna Farmer

~ Rotary Connects the World ~

**Pledge of Allegiance:** Jon

**5-Way Test:** Ruth

**Introduction of Guests:** PDG Vicki Radel, Dr. Lin, Connor, Diane

**Brags:** David played the Rotary Get-Out-of-Jury-Duty card.

**Jon** is starting **YIKES!** (Young Inexperienced Kids Expecting Success!) for the Torrance Area Chamber of Commerce.

**Late Brigade:** Jon, who may have lost his shorts at the District Picnic.

Rosy, who did not know what color an airplane's black box is.

**Inductions:** PDG Vicki provided a warm and welcoming induction for Diane Sevas (sponsored by Ruth) and Connor Hartwell (sponsored by Bob K.)

**Foundation News:** provided by Bill Smith. The Foundation Celebration is on Sat Oct 27. We each need to buy or sell a book of raffle tickets. \$10 per ticket, or \$100 for a book of 12 tickets.

**Today's Program:** Yuko provided a Land Update. She deals in "pre-developed" land for best returns. The largest economy is ours in the US. #2 is China's. #3 is Japan. #4 is Germany. AND, IF California were its own economy, we would be the fifth largest in the world. LA County would be #19 largest economy. 1 out of 8 Americans live in California. 1 of 17 people in the US lives in LA County. That's just crazy talk. We are experiencing the greatest shift of wealth in the history of the world. "The *Stone Age* came to an end, not for lack of stones. The *Oil Age* will come to an end, not for the lack of oil."
