PROGRAM- RITE Teacher

Noemi Leoncia Ferreira

The Rotary Inter-Country Teacher Exchange (R.I.T.E.) program is a cultural exchange of teachers between participating countries. For approximately one month the participants teach their native language to those needing to learn that language. They also share their culture with local students, some who have never traveled outside of their city. In return, the teacher learns about the people, the culture, and the language of their host country. The overall purpose is to promote international goodwill and understanding.

This year we are hosting a teacher from Paraguay. Noemi Leoncia Ferreira and she is a Rotarian in the Lambare Cost Del Rio Club. She is actually the President Elect of that club. She has been here for 3 weeks and has spent her time visiting different schools in the Grapevine-Colleyville Independent School District. Her role in her schools in Paraguay is to evaluate curriculum and oversee accreditation. She has enjoyed her stay in Grapevine and Southlake and is excited to tell you a little bit about her country and her experiences here in Grapevine.
