PROGRAM—MYTHconceptions in Safety and Security

Jeff McKissack, President
Defense By Design

MYTHconceptions in Safety & Security

- * *It will never happen to me*
- * *I can't predict what someone else might do*
- * *It's just me or my imagination*
- * *I can handle this myself*

Thinking such as the above put us at risk of would-be predators looking for easy prey. So what is the proper mindset to have as we navigate our lives? That will be the topic of our program today with Jeff McKissack, President of Defense By Design.

Jeff McKissack is a noted authority in the field of threat assessment and prevention. For 30 years he has addressed over 350,000 in live audiences and countless more via radio and television, including with our own FOX, ABC, CBS, NBC and CW affiliates. But Jeff best sums up his work by saying, "My goal is to help you spot trouble *BEFORE* trouble spots you." That is a message beneficial to us all.

Ken Diehm 'Service Above Self' Award

This is an award to honor and recognize the volunteer contributions of an individual in our community who best represents Rotary's motto "Service Above Self".

In 2011, the Grapevine community lost a true humanitarian in the passing of Ken Diehm. Ken was the epitome of a Rotarian as he firmly believed in and demonstrated *Service Above Self* in all of his actions.

The Grapevine Rotary Club wanted to memorialize this dynamic community leader and developed the Ken Diehm Humanitarian Award in 2012. Since inception, 8 selfless community leaders have been awarded this high honor.

The spirit of the award is to recognize someone in the community who exemplifies service to others by working tirelessly to improve the lives of those in need through voluntary service (*above and beyond any work done in a paid position*). Thank you for taking the time to nominate a worthy candidate.
