PROGRAM - All Things Millennial

Sterling Hilliard

Sterling Hilliard, originally from Midland, TX, is now residing in Dallas, TX. He has been a partner in his family's business, The Hilliard Companies, since May of 2010. Sterling's focus in the organization is on renewable energy development with Hilliard Energy in both the U.S. and in India. Sterling has assisted in early stage project development, project analysis, raising project debt/equity, and financial modeling.

Over the last several years, he has traveled to India frequently to develop solar and wind energy projects. When not focusing on Hilliard Energy, Sterling takes a leadership role in Hilliard Office Solutions (HOS). HOS delivers office solutions to businesses such as multifunction printers, managed print services, 3D printers, software solutions, and I.T. managed services. He manages operations, human resources, marketing efforts, partner contracts, and the building of its I.T. business.

As a graduate of Abilene Christian University (ACU), Sterling graduated with Bachelors in Business Management in 2010. His studies provided the opportunity of studying abroad one semester in Oxford, UK and one summer of international business in Leipzig, Germany. While attending ACU, he served as an officer of his social club and was a College of Business Administration Student Ambassador.

When not pursuing his business passions, you can find Sterling enjoying being with his fiancé, friends, traveling, hunting /fishing, skiing, and trying to figure out how to play a guitar.

Notes from the President....

A **HUGE** thank you to each person attending our meeting last week who were able to come **WEARING THE BLUE** in honor and support of **our** wonderful police department and others throughout our United States and the world! We love you Chief Salame!

All of us who totally enjoy **FUN** want to thank our Sergeant-At-Arms Wayne Paul, who in the line of duty and responsibilities, provided an exceptional performer —**ENTERTAINER SUPERB Rocky Gribble** performed the song "Short People," of course, with his original lyrics which were dedicated to those Rotarians in our club who happen to be vertically challenged. Great applause rang through the Lancaster combined with a standing ovation!

Rotarian Randy Jay's Classification Talk provided great insights into his personal and professional lives! Thank you, Randy!

Roger Ackley introduced a wonderful 90-second video clip provided by Carter Blood Center which shared the dynamic and moving impact and results of one individual giving blood. More details regarding our Blood Drive will be provided in the near future!

Announcement: If a Red Badge Rotarian needs to make a Classification Talk of 90 seconds, please contact Allen Barraclough.
