## **PROGRAM - The Underground World of Bill Steele**

Bill Steele recently retired as a national-level director for the Boy Scouts of America, based at their national HQ in Texas where he was in charge of Alumni Relations and the National Eagle Scout Association. He is now a writer, speaker and near full time explorer. Bill is a Speleologist of international standing having led or participated in expeditions to many of the longest and deepest caves in many states of the USA, Mexico, and China.

As a 13 year old Boy Scout in 1963 Bill got the taste of original exploration and from that moment he was "bitten by the bug" and hasn't slowed down since, 50 years later. Bill was profiled as one of 120 contemporary explorers in the 2009 book "Adventurous Dreams, Adventurous Lives". He is well published in journals and newsletters, as well as having written two

books popular with cavers: "Yochib: The River Cave", and "Huautla: Thirty Years in One of the World's Deepest Caves."

## Vocation Service Award

Senior Officer Day has served the community of Grapevine for more than 22 years, and his law enforcement career spans more than 25 years. Senior Officer Day serves as a field training officer, instructing new recruits who have recently graduated from the police academy, and helping them to become fully functioning officers capable of patrolling on their own. The value that his years of experience brings to the police department are difficult to quantify, but to the officers he has trained, and those who work with him, he is a leader, a mentor, and a trusted partner.

On October 11, 2016, a woman was robbed at gunpoint in a parking garage at Baylor Hospital in Grapevine. On October 12, 2016, Senior Officer Day responded to a disturbance on West Hudgins Street. Upon arrival, Senior Officer Day began questioning three suspects who were outside a residence there. Two of the suspects were known to Senior Officer Day, but one of them he had never seen before. Something about this third suspect drew even more suspicion from Day, who began to focus more and more on him. The information provided by the suspect only made Senior Officer Day more suspicious of him, and then Day noticed a tattoo on the suspect's neck. This tattoo, and the suspect's physical appearance, matched the description of the aggravated robbery suspect of the day before.

It was later discovered that the suspect was giving false information about his identity, and had recently moved to the area from California. The subsequent investigation led to the recovery of the weapon used in the robbery, and a positive identification of the suspect by the victim. Officer Day's attention to detail and commitment to keeping this community safe resulted in getting a very dangerous person off the street. He is a true public servant and I am honored to present him for this Rotary Vocational Award.
