## **PROGRAM** **April 28th** **MLPD Roadtrip**

**Chief Dan Watson & Reuben Ramos**

Dan Watson, Chief MLPD and Reuben Ramos gave today's presentation. They showcased the Baker-Vegas race. Our club provided support for MLPD and the rest of the Eastern Sierra team to attend this annual law enforcement event.

This year there were 261 teams of 20 people, each of whom had a support team with them. Teams come from all over the world to compete in this event which had its roots in a Death Valley race that began in 1978. The LAPD SWAT Team had the original idea for this event. The first one was in August. After that, it was moved to March.

The race was moved to its current course a few years ago. Each team had twenty runners who relay six miles each. The race begins in Las Vegas and ends up ten miles outside of Baker. It is a grueling course that spans three 5-6,000 foot passes. Because it takes many hours to run the course, some runners take the "day" shifts; while others run at night. There is a \$1,950 entry fee, which the LAPD distributes to charity.
