ROTARY SCOOP

**President
Rick Phelps**

Fellow Rotarians,

Moments like these define life. Everyone pulls together to make things work ... and they do. I'm confident that we will have an interesting program this week and only wish I could be there to enjoy it.

I'm looking for a Waldo hat for my return on the 26th. Thanks.

PROGRAM

August 9th

**Makie & Leslie Dawson
RYE to South Korea**

Mackie is packing her bags to attend school in South Korea as a Rotary Youth Exchange student. They shared with us the process for being chosen for this special opportunity. Special thanks to Rich Boccia to help make this happen.

This is an example of how Rotary brings world wide peace and understanding to mankind. We look forward to our new exchange student joining us here in Mammoth from South Korea. He will be a sophomore and hopefully, joining our Interact Club
