ROTARY SCOOP

**President
Linda Wright**

A Word About Community Service

When clubs complete effective service projects, they improve the community, bring people together, and reflect well on Rotary. When Rotary is viewed as a positive force in the community, its membership strengthens and grows, adding to the organization's ability to serve worldwide.

Program - July 28th

Tom Hardy

District Governor

Today's speaker was Tom Hardy, our District Governor. He is a Bishop-based attorney, with many years of Rotary service including club president of his Bishop chapter. Mr. Hardy gave Byng Hunt a personalized memento in recognition of his service to the governing board this past year. The main thrust of today's presentation was a discussion regarding the redistricting Rotary is going through. Our club will now be part of a much larger district encompassing fifty-five clubs. Mr. Hardy went over some of the advantages of this redistricting including the fact that we are merging with other like areas: e.g. isolated, rural spots like ours, as opposed to Southern California clubs.

The Rotary motto of Service Above Self is amplified by our current district goal which is for each one of us to dig a little deeper as we give both of ourselves and share resources with those in need through Rotary.
