ROTARY SCOOP

**President
Rick Phelps**

PROGRAM

July 5th

DARK

We were dark but not quiet. Dennis Brown lead off the 4th of July Parade with a Rotary Banner on his corvette. Joanne followed with Kathy Watson and their Golden Retrievers. Prez Rick had his Energy float. Many Mammoth Rotarians were on the side lines enjoying the parade celebrating America's birthday.

Fellow Rotarians,

Our meeting this week is the first of the new "Rotary" year and the program will be our vision and plans for the coming months – A Club Assembly. We'll build on the planning meeting we had in May and talk about some really big ideas, as well as ways to increase our community visibility. Another Club Assembly is scheduled for August 16th to present the final consensus plan.

On Thursday, we'll also want to talk about how we can all work together to build our static membership.

And ... I will unveil a banner with our theme for the coming year: "Service. (period)," encompassing not only "Service Above Self," but also *Service to our Community, Service to Our Youth, and Service to Each Other* to name a few of our calls to Service.

Looking forward to this meeting. Hope everyone is there! Thanks.

Our leader, Rodger, making this a successful event. Also, thank you to Sandra for organizing and helping out.

Three days working together to "Serve" lunches to the volunteers for the Jazz Jubilee volunteers. What a great way for Rotarians to help out with community projects to make a difference in Mammoth.
