ROTARY SCOOP

PROGRAM

June 21st

Mayor Matthew Lehman & Micky Brown
Mammoth Economic Stimulus

**President
Linda Wright**

LET'S THINK POSITIVE!

With the summer months ahead and many of us traveling remember as a Rotarian, you are **WELCOME** to attend any Rotary club meeting, anywhere in the world. Use the Club Locator tool at www.rotary.org or the free mobile Rotary Club Locator app to find clubs, meeting times, and locations.

Our program on June 21st was an update on a concerted effort to create a positive economic stimulus to our depressed community by looking at stronger partnerships and programs that will sustain us through these difficult times. Mayor Mat Lehman and Planning Commissioner Micky Brown shared their thoughts on ways that we can move our community into new and exciting areas of activity. They have formed a committee that is focusing on innovation and creativity that will hopefully bring a much improved quality of life for locals and visitors to our region. We wish them success in their endeavors, and stand ready as a responsible service club to assist in their efforts. May God bless the Eastern Sierra. We have a lot of good things to offer, and we need to place our continued focus on our future.

Do not miss these informative luncheon meetings as they keep us updated on current affairs in our unique community.

COMMUNITY SERVICE

During Thursday's Rotary meeting I discussed several upcoming community service events taking place during July. This email is to provide the details to those that missed the meeting and provide a refresher for those at the meeting.

Jazz Jubilee (MLJJ): Rotary will be servicing lunch for the MLJJ volunteers during the set up days: Monday, July 9, Tuesday, July 10 and Wednesday, July 11. We need volunteers from around 10:30 am to about 1:15 pm. The times will be finalized in the future. I received some sign-ups at the meeting. I will have the sign-up sheet at the next few meetings. If you missed the meeting, please let me know if you are available and interesting in helping any of the days. I will add you to the schedule.

DSES Sierra Cycle Challenge: We will need several Rotary volunteers to help support the event in the evening of July 22. Rick and Roger will be coordinating this event. We should have plenty of volunteers based on the sign up sheet. Those helping will hear more from Rick and Rodger.

If you have any questions, please let me know. Thank you!
