ROTARY SCOOP

**President
Linda Wright**

HELLOOOO...

The 2011-2012 term has arrived. I am proud and honored to be the President of the Mammoth Lakes Noon Rotary Club. I am looking forward to working with a fantastic team.

Communication is key. Please feel free to share new ideas, opportunities, and experiences so we can branch out and experiment with new approaches this year.

Remember...what Rotarians get out of Rotary depends largely on what they put into it.

Linda

Program - June 30th **Lori Ciccarelli & son, Jeremy Brooks** **“Succeeding with Autisim”**

Our speakers were Jeremy Brooks and Lori Ciccarelli on succeeding with autism. Lori brought the club up to date on Jeremy's activities since they last visited us. She described the neural feedback therapy that has provided Jeremy the opportunity to have his brain “unlocked.” This therapy has also enabled him to stop taking medications. Since Lori and Jeremy last spoke to the club, Jeremy graduated from Cerro Coso and now is at Point Loma University. Jeremy described his activities at Point Loma which include providing mentoring and support for other students with autism. Lori and Jeremy's film JJ's Journey describes Jeremy's progress through high school. It is used in curriculum for special education teachers and has received international recognition as the Autism Society of America Media Excellence Award 2009 Nominee. The film has been the Official Selection for various international film festivals such as Mammoth Film Festival 2008, International Christian Film Festival, UK 2009, and the African Enterprise International Film Festival 2010.

Lori said “Since intolerance has been the hardest part of our journey, I want to help educate society.” The presentation by Jeremy and Lori to our club built on that theme.
