President**

Aloha and Mahalo!!

A wonderful time was had by all last night at Angels' for my demotion party; delicious food with an Hawaiian flavor, good conversation and special drinks "Pearl Harbor" for the occasion. I was able to thank my board for everything they did for our amazing year.. My board gave me a beautiful handcrafted chest that I will always treasure. . Linda Wright introduced here board, and the evening culminated in a very creative roast of me!!! A good time was had by all and I want to again, thank you all for a truly memorable experience.

## **Program - June 2nd** **Nate Greenberg** **Mono County Re-Districting**

On Thursday, June 2<sup>nd</sup>, we welcomed Nate Greenberg and John Vallejo from Mono County to give us an update on the redistricting process underway as a result of the 2010 Census conducted last year. There will be a need to shift some District borders around to accommodate the 16% increase in population in Mono County over the last 10 years. A special blue ribbon committee was formed by the Mono Supervisors representing 2 citizens from each of the 5 districts. Three of those people are active members of our noon club...another example of how active our club is in community affairs! We should see results of this committee's work by November.
