ROTARY SCOOP

PROGRAM

May 3rd

FRIENDS OF INYO - Stacey Corliss

**President
Linda Wright**

The Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution of US \$26.50 only to more than US\$55 million. It is one of the largest and most prestigious international fellowship programs. Once a year each member is asked to donate \$100 to the Foundation. With the fiscal year coming to a close, check your Contribution History on the RI Website to see if you are up to date. Our goal is to have every member contribute annually.

We had the pleasure of welcoming Stacey Corliss from the Friends of the Inyo on Thursday, May 3rd. She shared the history and mission of her organization, which seems both noble and inspirational. The goal is to support the public lands administered by the Inyo National Forest and Bureau of Land Management, and to offer volunteer support to sustain the integrity of our precious open spaces. From regular work parties, to social hikes, to information dissemination, the Friends of the Inyo is working hard to help us protect and enjoy this incredible Eastern Sierra. Visit them on their Facebook or web page and join in the efforts. Thanks Stacey!

UPCOMING PROGRAMS

May 10th	Kathy Copeland DSES

MAY BIRTHDAYS

Gary Boyd
Ed Forstner 6th
Dave Hassel
Brett Walters 12th
Rodger Guffey 16th

ANNIVERSARIES

Trish & Jerry Dunlap 21st
Val & Robin McKay 22nd
Bobbi & Fred Anderson 26th
Jodi & Don Sage 31st

Community Service

Fishmas at the Village - April 28th

Didn't make any money but we had fun supporting Fishmas at the Village. Good music, food, and fellowship.

Youth Service 2011-12

Interact Club

We will be adding to our patio project with more bricks, a picnic table and a bench. Thanks to Earl Henderson for taking the lead to help us install the bricks. Join the work crew on June 9th and/or buy a brick with you name, child's name, or company name.

4 Way Test @ MMS

Students write and submit an essay as aligned with the Four Way Test. The focus is on 8th grade with the top five essays being selected and read in an evening read-off with the top essay being presented to the Club at Lunch. The prize this year is a Kindle Fire with other raffle items.

World Affairs Seminar

Two juniors are selected to participate in this seminar that serves as a gathering for potential future world leaders

Rotary Youth Exchange Program

Machie Dawson is excited about going to Korea to participate in the international exchange program. We will have a male student to spend next year

International Service

Corazon Project - Building a home in Tecata, Mexico

We have almost 50 registered to go. They include members of both Rotary clubs, spouses and children of members, friends of members, and Interact students. We are putting together a house warming gift for the De la Rocha-Lora family of 6. There are three generations ranging in age from 7 to 64. They are:

Antonia - 64
Francisco - 45
Martin - 41
Prudencio - 32
Antonio - 13
Gabriela - 7

Contributions to the gift can be brought to the next two meetings before the trip. Rodger Guffey has already donated a set of dishes. We can also accept household supplies, hygiene supplies, silverware, pots and pans, canned food, bottled water, kitchen utensils, towels, and cleaning supplies. Any donations should be new, or in good condition.

We will also be passing the boot for cash donations. Thanks to Trish Dunlap who has already made a donation. The cash will be used to purchase perishable food items.

GSE TEAM May 23-26th

Meet our team members from Mexico on May 24th at lunch and then enjoy an evening at Trish & Jerry Dunlap's home for more fun.

Friday we will take them to Yosemite. All are welcome to join in the fellowship.
